Com. President-

Perhaps it will be good if the General Council expresses itself on two important developments:

- ① Punjabi State question
- ② Berlin issue.

If the General Council agrees it might be good to adopt two short-resolutions on the above.

- K. B. PANIKKAR

Dear Com. Stawarawa..

I suggest that the Tashkent Seminar on 'Access of culture and Education to working people' to which the A. S. T. U. C. had sent three delegates, should find mention in the report. I am aware that largely I am to be blamed for this omission because the same is obviously due to failure on ~~to~~ my part to submit a report on the work of the seminar. I earnestly regret the failure and assure that within a fortnight you will receive the report from me.

I think the mention of the Tashkent Seminar is extremely important and necessary because the seminar ~~has~~ drawn pointed attention of the T. U. organisations to an aspect of working class life which in the present

situation must receive the
growing attention of the T U.
organisations in imperialist
countries and especially in newly
liberated countries. We in India
have to give special attention
to this aspect in the new political
economic context. Hence my
request for the mention of
the Seminar.

31. Aug. 61.

Yours fraternally,
Yashwanth Chavan

The Secretary.

(1) In your Report there is mentioned about the price-rise in Delhi, but there is no mentioning about the high price-rise of essential commodities in West Bengal which economically ~~has~~ made hard hit especially the working class of West Bengal.

B.P.T.U.C. has already discussed over the matter and contemplating to start a movement with the demand of 30% reduction of prices along with others.

(2) Regarding Recognition of Unions - There is one factory in the District Howrah of West Bengal which has only one union affiliated to AITUC. The union is neither recognised by the employer nor the employer agrees to sit in the conciliations called repeatedly by Conciliation Officer.

These are being brought before your notice and necessary action.
