As the Old year goes out  
and the NEW YEAR comes in  
It's really a wonderful chance  
To wish you and your family  
The very best kind of a day  
and twelve happy months in advance!

The Old man is dying, let him die \_\_\_\_\_  
as he is a big scoundrel infected  
with corruption, blackmarketing, created scarcity fully tested  
brought CDS, Inflation, decreased value of a Ruppy,  
Price rise yet cut in D.A. Wage Freeze & none is happy.  
A days of shortage of Food, Fuel and Power Supply  
And the Youths apply apply and get no reply.

The Young One has to be born at Zero hour \_\_\_\_\_  
Sirens will blow and the bells will toll,  
Take care, the baby is not infected at all.  
We want a healthy and the wealthy baby, ...  
and certainly like not that of her daddy.  
No cut in pay, no wage freeze, no fuel or Food Shortage,  
but the days of plenty and happiness and buffer Food Storage.

Nineteen Seventy Four has gone & the Seventy Five is in \_\_\_\_\_  
 Detachment, Reversion and Transfer yet hanging.  
 For them no more the blazing hearth shall burn  
 Or busy housewife ply her evening care;  
 For children run to lisp their sire's return,  
 Or Climb his knees the envied kiss to share.

You R forcing me to go against my will \_\_\_\_\_  
 Neither you get work nor am I happy still.  
 You can no more measure a home by inches,  
 Or weigh it by ounces, than you can set up  
 the boundaries of a Summer Breeze,  
 Or Calculate the fragrance of a Rose,  
 Home is the HOME Love which is in it !

We take this pleasure for you and your family \_\_\_\_\_  
 A HAPPY NEW YEAR to wish  
 And all the 365 days to Cheerish  
 Wishes meant for cheer and pleasure  
 And for joy in every-thing,  
 Wishes for the best and Finest \_\_\_\_\_  
 That a happy LIFE can bring.
