My dear Com. Briwastova,

I am in receipt of the circular.
But I am sorry to say that I am not
in a position to make this journey and
attend the meeting to be held in New Delhi.
My youngest son is in a death bed - suffering
from acute bacillary dysentery with high
temperature. There is none but me to look
after him. Financial difficulty is also
another reason for which I am unable
to attend the said meeting. So please excuse
me.

Dear Comrade,

I have broken my left shins and find it pretty difficult to move about.

I regret therefore my inability to attend the session of the General Council scheduled to meet at Delhi this month.

Trust you and the General Council will be pleased to excuse my absence.

It is a pity that much as I would like to participate in an important session, I am unable to do so.

Dear Comrade,

Your postcard of Jan. 11, 1960, regarding Bahadur Gour. Since the Report of the Textile Wage Board, it is now found, is not likely to be released by the time of our General Council meeting, the Council will not be in a position to discuss it. Hence the question of observers from textile unions participating in the Council meeting for this purpose is not considered necessary.

With greetings,

Yours fraternally,
