Dear Shri Balakrishna ji

Thank you for your No. _____ dated _____, which I received yesterday.

As regards my kidney-scandal file, I have already sent them to you thru Mr. Nihal Sawhney. He may have already contacted you or shall do so. I may mention that not hundreds but many more were murdered during the kidney scandal. The chief culprit one Mr. Sareen and some other of his partners-in-crime ^{who} could be hauled up only for a fraction (a very small one) of the crime, thanks to their VIP links and that a section of big section of the police was also involved. Judgement in the case was stayed by our Supreme Court while proceedings were stayed in the court of a Sessions Judge. The accused were in jail for a few months as industrial prisoners. They were bailed out thereafter.

One cannot be sure that the culprits would ever be punished. One can only hope that they would be.

As regards file relating to inner-party democracy, I will ~~try~~ try to trace it. If I can, I will arrange to send it to you as soon as I find it possible to do it.

There are some other materials also - but about the same sometime later.

Mrs Vimla Dang asks me to thank you for your letter to her, on her behalf

With Regards, Yours Sincerely,
Satyapal Dang

They were bailed out thereafter.

One cannot be sure that the culprits would ever be punished. One can only hope that they would be.
