So you are required to take action on the companies falling under your circle in Gurgaon or Manesar.

The Labour Department Government of Haryana has been notifying the rates of minimum wages of the different class of employees in the scheduled employments in the exercise of a power conferred by sub-section (2) of section 5 of the Minimum Wages Act, 1948 from time to time. The Haryana Government, Labour Department revised the minimum wages vide their Notification No- I.R.-2/7083-7193 dated the 2nd March 2017 in respect of different scheduled employments is available on the website of the department i.e. <https://hrylabour.gov.in>.

The notifications/orders are issued to ensure that all employees are paid at least the minimum wages as notified by the Government. However, the Labour Department has been receiving frequent complaints from the employees as well as from trade unions regarding the non-payment of minimum wages. The non-compliance of the Minimum Wages Notification is violative to the provisions of the said Act and makes the employer liable under the Act for punitive action including prosecution.

The workers working in the Garment Companies are not getting the minimum wages as decided by the State Government and this is direct wage theft done by the companies. The companies are involved in this kind of practice for a long time and worker's exploitation level is increasing day by day.

The rates announced by the Government of Haryana since 02.03.2017 as follows:-
