IMPORT TRADE CONTROL

New Delhi, the 9th January 1958

SUBJECT:—*Import of licker-in-wire [Sr. No. 5 (1) (k)/III],—October, 1957—March, 1958*

No. 7-ITC(PN)/58.—Attention of the importers is invited to the entries against S. No. 5 (1) (k) III which detail the import policy for card clothing and card accessories for the half year October, 1957—March, 1958.

2. As a result of certain representations received, it has been decided that not more than 5% of the face-value of quota licences for card clothing and card accessories [S. No. 5 (1) (k) III] issued in respect of the current half year will be valid for import of licker-in-wire. Such a condition will be imposed on quota licences for the current half year to be issued in future. In respect of the quota licences already issued, the same condition would generally be applicable. Where, however, irrevocable commitments backed by Letters of Credits have already been made by Established Importers against quota licences issued to them, for supply of Licker-in-wire in excess of the 5% provision now announced, the licensing authorities would consider such cases on *ad hoc* basis and on satisfactory evidence being furnished, specifically validate the licences in question for import of Licker-in-wire to the extent considered necessary. Established Importers should, where necessary, submit their licences already issued to them to the licencing authorities at the ports for necessary amendment, along with the documents mentioned below:—

- (i) Original evidence regarding the Letter of Credit established in favour of the foreign manufacturers/suppliers.
- (ii) Original evidence regarding placing of orders for Licker-in-wire with the foreign manufacturers/suppliers against the licences in question;
- (iii) Original correspondence regarding firm acceptance by the foreign manufacturers/suppliers of the indent in question.

Such evidence should be furnished as soon as possible but not later than 31st January, 1958.

Attention of importers is invited to Open General Licence No. 17 issued under the Ministry of Commerce & Industry Import Trade Control Order No. 17/57 dated 31.12.1957 which has replaced O.G.L. No. L.

2). It will be seen that eggs (S.No.80/IV) have been removed from O.G.L. with effect from 1.1.1958. In respect of this item applications from Established Importers would be considered by the licensing authorities at the ports and licences for the quarter January-March, 1958 will be granted on the basis of 33.1/3% of one-fourth of the best year's imports as established by them in any one financial year during the basic period 1953-54 to 1956-57. These licences would be granted on the basis of imports from Pakistan only and would be valid for imports only from that country. With a view to ensure uninterrupted supplies, advance licences/C.C.Ps. may be granted to Established Importers for reasonable values on ad-hoc basis which will ultimately be debited to their quota licences for the quarter January-March, 1958.

3). Established Importers are requested to have their quotas established on an immediate basis and make applications for licences as soon as possible but not later than 12.2.1958.

4). Consignments of eggs received upto and including 4.1.1958 would be allowed clearance by Customs without the formality of import licences.

5). For purposes of establishment of quota etc., this item would constitute a separate sub-serial number 80(b)/IV - the existing sub-serial number 80(b) being re-numbered as 80(c)/IV.
