General Secretary,  
STUC,

Sub: Verification of Membership for the year  
1959 - 60

Dear Comrade,

This is to draw your attention to our circular dated July 4, 1960 on the above subject, calling for details of unions and their membership figures.

We have not yet received any reply from you. As you know, the last date of filling our claims is August 31, 1960, we shall be compelled to leave out those states from our claim list, which will fail to furnish us with details asked for by August 25.

THIS MAY CONSEQUENTLY MEAN THE WITHDRAWAL OF REPRESENTATION OF OUR STATE COMMITTEES FROM THE STATE TRIPARTITE BODIES AND ALSO AFFECT OUR ALL-INDIA MEMBERSHIP AND REPRESENTATION IN ALL-INDIA TRIPARTITE BODIES.

We request you to act accordingly.

With greetings,

Yours fraternally,

(K.G. Sriwastava)  
Secretary

Dear Comrade,

Please send by return of post your union's  
Registration No. and date of registration. Your  
union will not be taken into the list for verifi-  
cation, if ~~you~~<sup>we</sup> do not get the information by Aug. 22.

No.172(B)/1/SM/60  
August 18, 1960

The Secretary,  
Andhra Pradesh Trade Union Congress,  
1-8-44/5, Chikkadpalli,  
Hyderabad,  
Andhra Pradesh.

Dear Comrade,

Please refer to your letter of August 16 and the list enclosed thereto.

The list is incomplete and does not help us very much in any way.

Please let us know by return of post the registration & date/ numbers/ of the following unions operating in your State.

1. Adoni Textile Labour Union, Adoni, Kurnool
2. Kakinada Shrivenkateshwara Lorry Borkers (Workers) Union
3. The Aluminium Workers Union, Rajahmundry
4. Zinda Talishmath Factory Workers Union, Edepalli, Musulipatnam.
5. B.I.T. Labour Union, Guntur
6. Bidi & Cigar Workers Union, Warrangal
7. Guntur Pattana Legudu Bandla Karmika Sangham, Guntur
- 8.

As you are aware, that unions those who do not have registration numbers are not taken into account and are chucked out at the preliminary scrutinty, it is better that we submit rather a comprehensive list and do not suffer merely because of our omission to mention the registration numbers. THIS CANNOT BE RECTIFIED AFTER SUBMISSION OF THE LIST.

With greetings,

Yours fraternally,

SECRETARY.

Bombay  
18<sup>th</sup> August 1960

Dear Com. Shrivastav

I have just now received  
your letter dated the 16<sup>th</sup> instant, in  
connection with verification of  
membership for 1959-60.

In that letter you have made  
mention of your circular dated  
July 4<sup>th</sup> calling for such information.

I regret, we have received  
no such circular. The only circular  
having anything to do with verification  
was the one in connection with  
1958-59 membership, dated the 16<sup>th</sup>  
June, which the letter we had received  
initially sent us a copy of the circular  
referred to by you.

In the meantime, we are  
collecting information & shall try

Sub:- Verification of membership for the year 1959-60

Dear comrade,

We are in receipt of your letter dated 16/8/60 & also your circular dated 4th July 1960.

We had immediately sent circular in the 1st week of July it self to call the unions in our state. After that repeated reminders were sent. Personal letters were sent as suggested by com. Gaur in his letter to me. But all this to no effect. Still however with personal efforts and through various sources we have been able to obtain membership figures of some unions. This information has been passed on to you in various letters. Yours is a general circular. I don't know whether you have received them or not. So I am sending a full list alongwith this. I have written urgent letters to-day again to send the information to you directly with a copy to me.

I hope this will be of help to you

with greetings.

CIRCULAR NO-15

17TH SEPTEMBER 1960.

To

ALL AFFILIATED UNIONS  
\*\*\*\*\*

Dear Brother,

The recent holocaust in Assam following the language Disturbances has been a severe blow to the general democratic movement in that State. Our trade unions had also to suffer a severe setback. It is to the glory of the workers and our T U Leaders that they kept the banner of working class unity flying high and fought hard to defend the unity of all sections of the people. It was precisely because of this that they were made the targets of the fury let loose by the reactionaries. In many places trade union offices were burnt down and their properties were looted. This has seriously crippled our, not too strong, trade union movement in that State.

The working committee of the AITUC in it's recent meeting held at New Delhi considered this situation and decided to recommend to all it's Affiliates to send at least Rs 5/- to Assam immediately. The amount may be remitted to The General Secretary, Assam Provincial Trade Union Congress, Barpathar Mazjidpatty, P O-TINSUKIA, Assam, and this Office may kindly be informed of the remittance.

This may please be treated as urgent.

FOR AFFILIATES IN BOMBAY CITY ONLY

A meeting of the Activists of all affiliated Unions in the City will be held on Monday, the 26th September 1960 at 6-00 p.m. on the terrace of the DALVI BUILDING, PAREL T T, where a report will be made on the decisions and deliberations of the working committee of the AITUC held at New Delhi on 11th, 12th & 13th inst. All Unions are requested to make special efforts to send maximum number of their Activists for this meeting.

PLEASE EXHIBIT THIS CIRCULAR ON THE UNION'S  
NOTICE BOARD AND IN A CONSPICUOUS PLACE.

Dear Brother,

VERIFICATION OF MEMBERSHIP FOR  
1959/60 (i.e. AS ON 31st March 60)

With further reference to our Circular No-12 of 19th ultimo we reproduce below extract of letter dated 6th inst. received from Com. Secretary, AITUC, 4 Ashok Road, New Delhi :-

"The membership claims of all central trade union organisations for the year 1959-60 have been duly made and submitted before the Chief Labour Commissioner, Ministry of Labour & Employment, Govt. of India.

The claims of other Central Trade Union organisations in respect of their affiliates in your State are quite large, If you therefore have any objection to their claims, you should send such specific (and not general) objections to this Office by September 20, 1960.

If we do not receive your objections in time, it will be deemed that you have no objections to offer. Please bear in mind that the objections must be specific and a mere statement claiming that the membership is inflated will not be of much help. You should also let us know your estimate of membership of those unions in respect of whom you might be objecting.

Specific objections in respect of RAILWAYS in your State should also be made.

A copy of the proforma in which objections are to be made is given below."

We also attach herewith a list of INTUC Unions with their membership claim for 1959/60 and the verified results for the previous year i.e. 1958/59. Sub: Verification of T.U. Membership for the  
year 1959-60.

Dear Comrade,

Herewith I am enclosing the objection to the membership claimed by other Trade Union Central Organizations in Rajasthan for 1959-60. We are sorry for delay.

The verification Officer for Rajasthan has informed us that he proposes to start verification (Physical) in early Oct. 60. Most of us will be busy in some conferences etc. It will be therefore better if he starts physical verifications after 20th Oct. 60 i.e. After Deepavali.

You are therefore requested to ask the Central Labour Commissioner to instruct him to take up the work in the 4th week of Oct. 60 or thereafter.

Thanking you.

Yours fraternally,

*Mohansingh*

General Secretary.

CHALLENGING INTUC MEMBERSHIP

Dear Comrade,

With further reference to my letter of 21st September 1960, I am sending you herewith a copy of letter dated 28th September 1959, jointly signed by 23 members of the Watch and Ward Staff of Burmah-Shell and addressed to the rival Petroleum Employees Union, intimating their resignation from that union.

This factor should also be a ground for challenging the membership claimed by the rival Petroleum Employees Union. At least the claim should be rejected to the extent of the members who have resigned from that Union.

Faternally yours,

KOZHIKODE-4,

No. 167/60

Date 30th Sept. '60.

To

The Secretary,  
Kerala State Trade Union Council of AITUC,  
Trivandrum.

Dear Comrade,

In reply to your reference dated 27-9-1960 regarding non-submission of annual returns of certain unions, we like to inform as follows:

1. Standard Furniture Co. Thozhilali Union, Kozhikode has been amalgamated with the Kozhikode Taluk Parcha Mill Thozhilali Union, Kallai, Kozhikode-3, in 1958. As such, this union has to submit no return for the year ended with 31-3-1960.
2. Kozhikode Swarn Thozhilali Union, Kozhikode is not functioning now and as such it has become impossible to submit their annual return. This fact has already been informed to you in July itself.
3. Government Electricity Non-Unionable Employees Association. There is no union at present in this name as the name of the union has been changed to "Electricity Employees Association, Badagara". The change of the name has also been registered as per the provisions of the Trade Union Regulations, and the change was effected in the last of year 1958. The union has already submitted annual return for the year ended 31st March, 1960 in its new name. This fact may be noted. Further, the affiliation certificate of this union is in the new name.
4. Port Cargo Workers' Union has not submitted their annual return so far and steps are being taken to submit their annual return positively within a couple of days.
5. Perole Commonwealth Trust Tile Workers' Union, Perole. This union is not in existence from 1957 onwards as the same has been amalgamated with the Tile Workers' Union, Perole in 1957. As such no return is necessary to be submitted in the name of this union and the Tile Workers' Union has already submitted their annual return.
6. Cotton Mill Workers' Union, Thiruvannur, Kozhikode.
7. Shanmuga Engineering & Trading Co. Workers' Union, Cheruvannur.
8. Kozhikode Taluk Umbrella Workers' Union, Kozhikode.

All these three unions have submitted their annual return for the year under reference by the end of May 1960 and the same have been acknowledged by the Registrar of Trade Unions. These unions are in possession of the said acknowledgements. As such, it is not known what happened to the annual returns already submitted and acknowledged by the Trade Union Registrar. This fact may be intimated to the Trade Union Registrar as well as the Central Labour Inspector.

KOZHIKODE-4,

f. No. 168/60.

Date 30th Sept. 1960

To

Com. S. Sivastava,  
Secretary, AITUC,  
New Delhi.

Dear Comrade,

Ref:- Your telegram dated 29-9-1960 to Com. Kallat Krichnan.

Among the unions claimed by the INTUC in Kozhikode District, objection may be filed in respect of the following unions for the reasons noted against each:

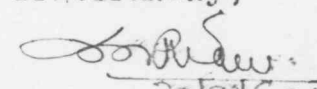

1. Punnor Rubber Estate Workers' Union, Umikolam - Membership inflated.
2. Kara Cashew Works Labour Union, Karapuramba. - -do-
3. Kozhikode Thuramugha Thozhilali Union, Malva Kazar, Kozhikode. - -do-
4. Manjeri Malabar Motor Workers' Union, Manjeri - Membership inflated and also doubts the registration has been cancelled.
5. Sivanna Rubber Estate Labour Congress. }  
6. Arthala Tea Estate Labour Congress. } - All these four unions have amalgamated into one union with the name No.9, below. Membership of these unions are also inflated.
7. Pullankode Rubber Estate Labour Union. }  
8. Kerala Rubber Estate Labour Congress. }
9. Ernad Taluk Estate Labour Congress. .. - - Membership inflated.

Objections need not be filed in respect of the following INTUC unions as the membership claimed is correct.

1. Cotton Mill Staff Union, Thiruvannur.
2. West Coast Electric Power Union, Kallai.
3. Mercantile Employees Association, Kozhikode.
4. Mukkom Rubber Estate Workers' Union, Mukkom.
5. Kinaloor Rubber Estate Workers' Union, Kinaloor.

These facts have already been informed to Kerala State Trade Union Council. We have not received the list of claimed unions of the I.M.S. in this district. However, if the name of the Hotel Kizdoor Sabha, Kozhikode comes among the claimed unions of the I.M.S., the same may be objected on the ground of inflated membership. There is no UTUC unions in this district.

Yours fraternally,

  
For General Secretary.

Sir,

I have to acknowledge the receipt of your letter No. B/464(12)/60 dated 23rd Sept. 1960 on the above subject.

We regret, however to inform that as the principal Office-bearers of our Union Shri S.S.Patil, M.L.A. and Shri P.D. Dighe, President and General Secretary respectively of our Union are out of station and are touring the Kolhapur District in relation to the propaganda work of the All Maharashtra Conference of the Samyukta Maharashtra Samiti Scheduled to be held in Bombay in the next month. Hence the date you have informed is not suitable for us. I have to request you to fix the said date in the third week of the next month. We have no objections if we are asked to submit the records in Bombay in your office in the third week of the next month.

I hope you will appreciate our difficulty and grant us the necessary extension of time.

Sub:- Verification of Trade Union Membership  
for the year ending 31st March 1960.

Sir,

I have to acknowledge the receipt of your letter No. E/464(12)/60 dated 23rd Sept. 1960 addressed to the General Secretary, Sakhar Kamgar Union and the General Secretary, Mechanical & Engineering Kamgar Union, informing that you will be visiting our office for the purpose of the physical verification of the Membership of the these two Unions on the 5th and 6th of the next month.

I, however, regret to inform you that principle office-bearers of these two Unions Shri S.S.Patil, M.L.A., Shri. P.D. Dighe, the President and the General Secretary of the Sakhar Kamgar Union, Kolhapur, respectively and Shri. R. G. Kulkarni, Shri G.M. Kulkarni, and Shri. G.P. Toraskar, the Organiser, the General Secretary and the President respectively of the Mechanical & Engineering Kamgar Union are out of station. In the first and second week of October they are touring the Kolhapur District in relation to the propaganda work of the All Maharashtra Conference of Samyukta Maharashtra Samiti scheduled to be held in Bombay on 14th, 15th and 16th October 1960. As, at the time of the verification <sup>points may come which will require clarification</sup> for which the presence of the office-bearers whose names are mentioned above is highly necessary. Hence, I have to inform you that the said dates are not suitable to us. I have to request you, therefore, to fix the said dates in the third week of the next month. We should have also no objection if you so desire to present the records in your Bombay Office in the third week of October.

I hope you will appreciate our difficulty which is very genuine and grant us the necessary extension of time.

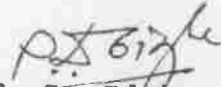

As for your request for extension of co-operation I may add, that we have no objection and have no reason to object to the inspection of the records by your office. All the Unions which are working under the guidance and the help of this office will always be ready to give co-operation to your office. By the way, I may add, the Unions under the guidance of this office, e.g. Sakhar Kamgar Union and Kolhapur Municipal Noker Sangh have always submitted their records for inspection whenever they were asked to do so, by your office in the past.

I am enclosing herewith the letters of the respective Unions.

I hope our request will be granted with due appreciation of our difficulty.

Thanking you,

Yours faithfully,

Dear Comrade,

We find from the copy of your letter dated September 13, 1960 to the Verification Officer that your union has failed to produce complete records for verification purposes, despite the special efforts we made to give you sufficient time to do so.

The Credential Committee of the AITUC, has decided that all unions which failed to satisfy the requirements of verification of membership, without valid reasons, should be disaffiliated.

You are therefore requested to inform this office within 15 days your reasons if any, why your Union should not be disaffiliated from the AITUC on this account.

Dear Sir,

Following your letter No.B-466(2)/60 dated 20th ~~month~~ ult. in connection with the subject matter, addressed to the various Unions who had not submitted their Annual Returns till ~~at~~ that time to the Registrar of Trade Unions, calling upon them to do so by the 7th Octr. Their main contention being that while the Registrar of Trade Unions has given them time upto the 26th Octr. 1960 for the submission of these Returns, your Office is insisting on 7-10-60.

We feel that there is a good deal of force in the arguments of these Unions and this is to request you to extend the date to 26th October so as to bring it in line with the procedure being adopted by the Registrar of Trade Unions.

Dear Comrade Srivastava,

Your letter regarding the complaint from the L. I. (C), Nagpur on non-production of the records of the 3 unions mentioned is absolutely correct. I have contacted the officials of the respective Unions and the position is bad. The only hope is with regard to Viswavidyalay Karmachari Sangh, which elected a new batch of office-bearers this year. They have informed me that they will bring their records to me to-morrow and we hope that the said union will be able to produce the records on the 10th inst in time.

Re Nagpur Hotel Kamgar Union which is looked into by Com. Chouthmal, he told me that in view of its impending merger with an allied Union, Gumashta Union, and the fact that lot of changes have taken place in the employment conditions in hotels the records that are there, will be of no avail. Well. it just will be of no use and nothing can be done. It is organisationally difficult. I can only talk to you the details.

Re Nagpur Engineering Workers Union,, the papers are not just in the office. Its General Secretary informs that the person who was to have got it is out of station for the last so many months and his address is not known. This also be left for personal talks.

Re :- Break up membership of the mines Union, for the year 1959-60, they are:  
Madhya Pradesh ...2643; Maharashtra ...852;  
Unpaid membership due to closure of the mines and who whose ~~cases~~ disputes are pending in Court are:  
Madhya Pradesh ...300; Maharashtra ...1600.

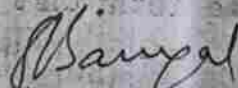

Re :- Rashtriya Ballrpur Paper Mill Workers' Union, our comrade in charge at Chanda has seriously bungled by not only not submitting the returns intime, but in response to my messages sent

by hand ~~and~~, telegrams and telephones,  
gave me wrong informations and this has  
paid us very dividends. I am all the more  
sorry because this Union pays that comrade his  
his part wages. It has been just due to  
negligence and lethargy.

I shall be able to go there by the  
end of this month and let you have the  
details.

Dear Comrade,

With reference to letter quoted above, the following facts are submitted for your information. The proposed date for verification of Union membership after the deliverance struggle fell on the date of general election to the Kerala State Assembly. Since all the office bearers were busily engaged with election propoganda work we could not furnish the necessary records in time. We have repeatedly requested the Labour Inspector (Central) to postpone the date of verification but the Inspector was not kind enough to give us an opportunity after the elections are over and hence we could not produce the relevant registers and records then.

In the light of above, it is prayed that the proposed disciplinary action against us may be withdrawn and we hereby assure that we may be very careful in dealing with the papers connected with verification.

We have sent Rs.16.50 np. towards ~~amt~~ affiliation and donation for W.F.T.U. and other records for the year 1959-60. The Central Labour Inspector has intimated us for the production of records for verification. Therefore the affiliation certificate may be despatched to us at your earliest convenience so as to make it convenient for production.

Subj: Verification of membership 1958-59

Dear Comrade,

I have received your above mentioned circular & noted the contents. You have mentioned that we have produced incomplete records in 1958-59 which is partially right towards your affiliation certificate. Expect that one all was well and the return of expenses & other things were produced in time which were accepted by the local labour Commissioner. Regarding 1959-60 returns which were returned to us by the Commissioner after four months delay for corrections of meagre technical wordings, immediately corrected & again submitted immediately. So we are unable to understand the reasons of not taking into account our Union's membership with the complaint of incomplete records. So it

P.T.O.

lies upon you & your office to fight out  
for the same & get the accounts taken into.

Even some times the Commissioner is defect.

is playing delaying tactics now & then  
is sending the annual returns after 3-4  
months after wards. Due to so many

technical & other difficulties there may be

some mistakes in filling the annual  
return forms now & then which can  
be corrected immediately if returned.

But delay of months together by the  
defect just to throw the blame upon us  
is a matter to be fought out by you

Sir, Hope you will help in this  
matter & oblige.

General Secretary,  
Bihar STUC

Dear Comrade,

There have been complaints from unions in Bihar that verification dates were fixed early this time. We took up the matter with the CLC and it is agreed that a second chance will be given to all unions in Bihar which were asked to produce records (as a final chance) before 15th October, after 15th October.

Please inform the unions accordingly and also ensure that they produce records on dates stipulated after 15th October, without fail.

Please let us have a report on the position about verification in your State.

With greetings,

Yours fraternally,

Sub: Result of verification of  
Membership for the year 58-59-

Dear Comrade.

With reference to your letter dated

20th. Sept. 60. I have to state that when our Annual returns of our Union for the year 58-59. was ~~not~~ submitted to the Registrar our membership register was not properly maintained then by Com. Donda who was General Secretary of the Union. And that was the ~~reason~~ reason why we could not produce our membership on record to verification officer.

Any how since I have taken the charge of the Union as a General Secretary, I have properly maintained the register of members of our Union, and I have also submitted the Annual returns for the year 1959-60.

Any how, I assure you that such kind of negligence will not be repeated.

Thanking you.

Yours Faithfully.

  
General Secretary.

Ref:- Your letter dt. March 27, 1961 along with  
verified figures of our unions .

Dear Comrade,

I have gone through the verified membership figures of our  
affiliates in Assam.

In Engineering- our previously affiliated 'Gauhati Electric  
Supply Workers' Union P.O. Gauhati has withdrawn affiliation.  
So, it is now an independent Union,

In IRON & STEEL- Assam Iron Workers Union and  
in TRANSPORT the Assam Motor Workers Union, Tinsukia and  
in MISCELLANEOUS- the All Assam Veneer Plywood & Saw Mill  
Mazdoor Union,- all these three Unions' membership has been  
shown Nil i.e. '0' with the remark RNS. which means 'return  
not submitted. Now, in this connection I am to draw your  
attention to my letter dated 27th September, 1960 addressed to  
the Labour Inspector (Central) Verification, Shillong, 'Primrose  
Villa', Bivan Rd. Shillong,- with copy to the General Secretary,  
AITUC. In that letter I had requested him to grant special  
grace of time to us even in the matter of membership verifica-  
tion because the effect of the last language riot had almost  
paralysed many of our Union Centres. The said Labour Inspector  
(Central) had asked the unions concerned to submit the return to  
the Registrar of Trade Unions for Assam Shillong not later than  
1/10/60.

The Unions had already by that time applied to the  
Registrar of Trade Unions for granting them grace of time in the  
matter of submitting returns which they could do as per the  
trade Union regulations. At that time, in reference to my letter's  
copy sent to the G.S., AITUC., Com. Sriwastava wrote to me that he  
would also meet the Chief Labour - Commissioner. Any how, the  
defaulter unions submitted their Annual returns. Assa Motor Worker  
Union sent the return on 29th Oct/60 and in this way other Unions  
also submitted their returns by 1/10/60. So the remark 'RNS' will  
not be correct in relation to these unions. Later on, after sub-  
mission of the returns when our union-secretaries met the Labour  
Inspector (Central), he said that he could not do any thing un-  
less fresh instruction is received by him from his superiors be-  
cause the unions had not responded on receipt of first notice  
of verification.

So, you please explain the position to the verification-  
authorities in New Delhi so that these membership figures are  
included for the purpose of verification. The Chah Mazdoor Union,  
Borbheta, P.O. Jorhat got the remark RNF but they also could not  
appear, according to notice, with records because the Gen. Secy.  
Sri. Monoranjan Das Gupta was to take shelter literally in the eva-  
vacuees camp for some time.

While our membership in Coal mine i.e. membership of the  
Assam Coal Mine Workers Union has been reduced, we find that the  
membership sanctioned for the INTUC-Union i.e. the Assam Colliery  
Mazdoor Congress is sanctioned 2207 as against their claim of  
2,307. Here the Govt. have done some manipulation perhaps to  
undermine our claim for recognition and strengthen the claim of  
INTUC-union. This should be questioned. I shall soon let you  
know what was our figure shown in the Annual return. So far my in-  
formation goes, this Assam Coal mine Workers Union did well at the  
time of verification.

The position of the Goalpara zilla P.W.D. Labour Union  
(RNS) and why the membership on the CHCH MAZDOOR UNION, Dibrugarh  
got so much reduced is being enquired by me. I shall let you know  
all these things by April 10 positively.

With greetings.

Sub:- Verification 1959-60.

Dear Com.

This is with reference to your letter dated  
March 27, 1961.

Regarding the C.P.W.D. Workers Union, the  
returns were submitted to the Registrar on 27-9-60 and the  
mistakes were rectified on 17-10-60. The verification  
Officer was kept informed and was requested to inspect the  
records on any date subsequent to 17-10-60.

Regarding Municipal Workers Union, we are  
surprised that inspite of actual Verification on 26-10-60  
by Shri S.K.Gokhle, Conciliation Officer (C) Delhi, 1, the  
membership is not included. The returns of the Union were  
submitted on 12-9-60 and the mistakes were rectified on 12-  
10-60.

Regarding Furniture & Decoration Mazdoor  
Union and Delhi Flour Mills Mazdoor Union, it is incorrect  
that there was any hesitation on our part to produce the  
records. The Inspectors could not fix up mutually convenient  
date for inspection of the records. In the case of the  
Furniture & Decoration Mazdoor union, I personally moved in th  
matter but could not get the verification Officer to do the  
Job.

Please file your objections in the light of the  
above.

Dear Sir,

Yesterday I have sent the following telegrams to you .

• LABOUR COMMISSIONER ? AMBALA CANTT.

VERIFICATION DONE BY ~~NO~~ LABOUR OFFICER AMBALA  
PARTIALA . NO CONNECTION WITH VERIFICATION

In this connection I have sent a Telegramme and two letters to labour officer Bhinai the copies of the letters has already been endorsed to you, the copy of Telegramme is attached herewith.

As I have stated in my letters that method of verification adopted by the labour officer is wholly unjust unfair and against all kind of social justice . I had told the labour officer number of times that the signature on letter of authority were obtained from the workers under threat and co-ertion and if verification will be made before officers and Electric workers will not express their opinions freely and I made proposal before him that the opinion of the workers should be ascertained through secret ballot . We discussed the ways and means three and four times and came to <sup>the</sup> conclusion that verification should be done in suchha way that no worker have any Grievance regarding the procedure . In place of secret ballot It was proposed by the labour officer himself that the labour officer himself alongwith Mr. Khichai

the Labour Inspector will sit in a separate room adjoining to the officer's gate. Also, no body will be allowed to stand in the radius of 100 yards; he will call workers one by one, will show two papers one khaki and one white to them and they will clearly be told that those who are in favour of five persons i.e. Shri Harnam Singh Thori Jai et al, should sign on white and those who oppose them sign on khaki. The workers will also be assured that these signatures will become the property of the Govt and in no case will be shown to the management.

But what actually happened just the reverse Shri Jain the Labour officer sat in the office of spinning Master which is situated inside the Mills & some officers sat in the room with Jain while a good number of Mistries and superintendents stood outside the room in groups and were asked to sign on the white paper no khaki papers was shown to any one unless demanded forcefully. And if any workers inquired for the khaki paper outrageously his name was noted by the Mistries. As I have already mentioned, our grievance was that signature had been obtained from workers under pressure and workers should be allowed to express their opinion independently only in the presence of Labour Dept officials.

But I am very sorry to point out that Shri Jain Labour officer have must not cared for a concern an employee of the Mills, but a responsible part that he is not officer whose duty is to help the poor and help less workers if he totally forget his duty. Now thanks to his tactics those workers who had signed the khaki paper in presence of the official officers are

being threatened abused and misbehaved. This unjustified verification is a farce and can not be accepted as independent verdict of the workers, and any agreement finalized and signed on the strength of this false and unjustified verification will in no case be acceptable to the workers of H.T. Mills. The Joint Labour officer wants to fetter the work ers in some kind of Agreement which will be totally against the interest of the workers.

I therefore, request that such verification done by the Labour officer should not be accepted and some senior Labour officer from outside be deputed to do verification through secret ballot. We have no faith in Mr. Jain Labour officer at all and by his action the work has become paralysed in the hands of the management of H.T. Mills Hissar.

I hope this case will be considered sympathetically by you personally
