Dear Comrade,

Thank you for your letter of December 6,  
and the list of delegates elected at your  
General Body meeting.

Affiliated unions could send, over and  
above the delegates as per their membership,  
observers to attend the Session of the AITUC.  
The number of such observers has however  
necessarily to be limited subject to arrangements  
for accommodation.

In your case, you are hereby permitted  
to send two members of your Union to participate  
as observers in the 26th Session.

With greetings,

Yours fraternally,

Dear Comrade,

Reference is made to your CIRCULAR of October 10, 1960.

You have mentioned that non-affiliated unions could participate in the General Session as observers. This facility has been given even to the affiliated unions for the Ernakulam Session over and above the elected delegates.

We would therefore request you to give us your clarification whether the similar facility will be given this time also as our union wish to send two members as observers in addition to the following five delegates duly elected at the General Body meeting held on December 5, 1960.

Dear Comrade,

We like to send a visitor or an observer  
to the Coimbatore session of A.I.T.U.C.

As we are not affiliated to A.I.T.U.C.  
due to some organisational difficulties (but  
associated with B.P.T.U.C.) yet we like to  
participate in this conference .

According to the annual return submitted  
for the year 1959-60 our membership is more than  
three hundred .

In this connection we like to mention that  
this factory is a new one as well as very rising.

In this context we can state that our  
union will be a very big union in the near future.

So we hope that you will allow us to send  
at least one observer to your conference .

Awaiting your early reply .

With greetings ,

( Sunil Roy )  
General Secretary.
