Respected Madam,

Greetings. I live at the above mentioned address. I am 27 years old. I was working as Tailor during August 2016 – November 2017 in Sewing Department of Armstrong Knitting Mills situated at Second Street, Saminathapuram, Anupparpalayam Post, Tirupur District. During my tenure with this company for 1 Year & 3 months, the company had deduction of PF from my salary. When I request for PF amount withdrawal, Supervisor asked me to wait for some time. But these many years I have been waiting wearied. Late I came to know that the Company management failed to deposit its PF contribution and that was the reason behind it. I herewith request you to kindly help me in terms of withdrawing my PF amount and do the needful please.

Thank you,

Yours truly,
Thirumathi. Lalitha
