HR staff booked for beating workers over joining union

BENGALURU: The HR staff of a garment factory, who assaulted 12 workers for joining a union and fighting for their rights, were booked by the city police on Wednesday.

The Madanayakanahalli Police said the HR staff of Shail Exports Pvt Limited Unit-3 took away the 12 factory workers and to have played a leading role in the union, to

a separate cabin and abused them. The workers said they were then herded to a ware house area, where they were callously thrashed.

Two of them — Thayaramma, a woman in her 40s, and Ameen, a production writer — were severely injured in the attack. A worker said Thayaramma's spine was damaged and she was taken to hospital.

An activist of the Karnataka

In Garment Workers Union

(KGWU) Sebastian Devaraj told DH that Ameen, the convener of the union, held a general body meeting for the factory workers of Shail Exports Unit-3. The workers raised three major issues: drinking water, salary increment and transport facilities

"The union drafted a letter to the Shail management, which irked the management," Devaraj said.

The workers sent the letter to the management and to the labour department by registered post. A few management staff on Wednesday morning identified the workers who had played a leading role in the un-

ion, and attacked them.

Based on information the police rushed to the factory, only to be detained by the management, which said the issue was an internal matter and they would索取 it not themselves.

However, nine workers,

including Ameen, lodged a complaint with the Madanayakanahalli police after getting first aid at a hospital.

Garment factory workers allege assault

Register complaint against employer

STAFF REPORTER

BENGALURU

The Madanayakanahalli police have registered a complaint against the management of a garment factory in Kachohalli for allegedly beating up their workers.

The complaint was registered after members of the Karnataka Garment Workers Union, along with the employees, approached the police. Sebastian Devaraj, member of the Karnataka Garment Workers' Association, told *The Hindu* that nine workers were assaulted by the factory management, which took offence to them being involved with the association. The workers had recently signed their consent for the association to represent their issues.

On April 2, the associa-

tion members had sent a letter to the management seeking an appointment. On Tuesday, members of the management picked a fight with some of the workers, asking them to withdraw their support to the association. On Wednesday, one of the employees who went to meet the management was thrashed, Sebastian alleged.

Upon getting to know about this, several others also went to meet the management members; they were also allegedly beaten up. A majority of them were women, he added.

One of the injured, Tayamnia, has been admitted to a hospital. The association members alleged that the workers were facing several issues, including sexual harassment.

An FIR (197/18) was lodged with the Madanayakanahalli police station with regard to the criminal action and a complaint given to the Commissioner of labour against unfair labour practices of the management.

Several organizations and unions met on 11th April 2018, to discuss this situation and decided to hold a protest demonstration to condemn this undemocratic and criminal action of the Shahi-8 management on the 13th April 2018.

We therefore, request you to permit us to hold a peaceful and silent protest outside the factory gate on the side road between 4.30pm and 6pm on Friday 13th April 2018.

MEMORANDUM OF COMPLAINT FILED UNDER SECTION 190(1)
OF THE CRIMINAL CODE OF PROCEDURE

The Complainant above named most respectfully submits as following:

The address of the complainant for the purposes of the processes of this Hon'ble Court is as shown in the above cause titled and he may also be served on his counsels Mr. B. T. Venkatesh, Mr. M. S. Purushotham, Mr. N. K. Vinoda, Mr. Naveen Santan Siddi, Advocates M/s. Reach Law, #1/1 1st Cross, Kumaracot Layout, Bengaluru 560001.

The address of the accused for similar purposes is shown in the above cause title.

is respectfully submitted that the complainant is working as Checker at Shahi Exports Pvt. Ltd. Unit 8 having Token No. 70013 since October 2017. It is respectfully submitted that the complainant is a diligent and hardworking woman who is working in the said company with utmost dedication. The Complainant is also the member of Karnataka Garment Workers Union (KOOGU).

It is respectfully submitted that there are a number of issues and challenges that are being faced by the workers in Unit No. 8 of Shahi Exports Pvt. Ltd. It is submitted that because of the poor quality of drinking water a number of workers are facing water borne allergies and infections and the same was informed to the Management by a number of workers on various occasions. That apart, there are serious challenges relating to transportation facilities for the workers. It is also pertinent to state that despite the fact that the workers have successfully completed the targets assigned to them and that the management was pleased with their performance and as such has earned substantial revenues however the worker's demand for some increase in the wages has met with stiff resistance from the Management of Unit 8.

It is respectfully submitted that a number of Unit 8 workers had made representations after representations to the management but there is absolutely no proper response from the management. On repeated requisitions the Management started intimidating the workers of dismissal from service if they put forward any such demand again. That apart, there is absolutely no healthy

and respectful atmosphere in Unit 8 as most of the persons holding supervisory posts constantly abuse, threaten and intimidate the workers with impunity. Having no other alternative, the workers who were members of the Karnataka Garment Workers Union approached the Union seeking its help. The Karnataka Garment Workers Union (hereinafter referred to as The Union) on receipt of this complaint called a meeting of a number of workers and elected a body and assigning the office bearers to prepare a representation to the management to open a dialogue with the workers and the office bearers of the Union on one part and the Management of Shahi Exports (P) Ltd on the other.

It is respectfully submitted that on 2nd April 2018, the workers presented a letter to the management seeking meeting with the management for a dialogue and to find solutions to the issues faced by workers in the factory premises. A copy of the said letter is herewith marked as Annexure "A".

It is respectfully submitted that the Management instead of calling for a meeting started identifying and abusing the workers who were members of the Union and who were sympathetic to the efforts of the Union. It is submitted that the Complainant herein was elected as a Worker Representative Team Member of Shahi Exports Pvt. Ltd. Unit 8 Branch. She was one of the signatories to the representation made in Annexure "A".

It is respectfully submitted that on 2nd April around 10.30 am Ms. Shobha, sample tailor came and said the HR wants batch 9 and batch 10 to assemble for a meeting in canteen on the 6th floor. Ms. Rathnamma, Tailor 9th batch when she was returning after attending the meeting, the complainant enquired her what was the meeting about. Mrs. Rathnamma informed her that workers are being warned by the H R officials that the workers should not join the union and express their displeasure against the union. The officials of the Management intimidated workers that anyone who joins the union would face immediate termination from service and that they would ensure that wherever he/she gets employment, they would inform about the 'bad antecedents' of

the workers, if they were to seek employment in any other factory. They directed the workers that they should not associate with the Union in any manner whatsoever nor they should sign, attest any document, letter, notice of the Union in the future.

It is respectfully submitted that around 11.30 am, the complainant's colleague Ms. Nagarathna, Joint Secretary of the Union and the complainant went to the office of The General Manager, Mr. Narayan. They found him standing outside the cabin of Mr. Chandru, Production Manager, on the 3rd floor. Ms. Nagarathna submitted the representation of the Union to him (Annexure 'A'). He perused the representation and became very agitated and started abusing at Nagarathna and returned the same to her stating that he would not receive any such representation. When we insisted that he should receive the representation of the grievances of the workers, he directed Ms. Nagarathna to give the letter to Asst. H R Manager. We presented the representation to Assistant H R Manager. The complainant went to her batch again and started to work.

It is respectfully submitted that around 2 pm, the workers of Batch No. 15 & 16 were directed to assemble in Canteen. Mr. Narayan, General Manager, Mr. Vivek, Ms. Mahima, Mr. Chandru, Mr. Ajit, Ms. Shobha, Sample Tailor, Mr. Rajashekhar, Quality Manager were present. at the sample section. Mr. Vivek instructed that nobody should sign any letter of the Union. Those who have signed any such letter, representation will face serious action. He directed that no one should talk to members or office bearers of the Union nor receive any letter, pamphlet given by them. He said management brooks no criticism of its work and those who try seek anything or seek any change will face termination or will be implicated in cases. He said that police are with the management. Thereafter the meeting was disbursed. The complainant went back to work and after her shift she punched out at 6 pm. She thereafter traveled to her residence in factory bus. She reached home by 6.30 pm.

It is respectfully submitted that on 3rd April the complainant reached factory by bus at about 8.30 am. At the gate of the

factory she saw Sri.Vivek, Sri.Avinash, Smt. Mahima, Sri. Rajashekhar, Sri. Chandru, Production Manager. As she was approaching the gate, complainant saw Smt. Sowmya of the Union, who sought for complainants signature to the representation of the Union. After talking to Smt. Sowmya, the complainant attested her signature to the representation and entered the factory. She commenced her work at 9 am as checker.

It is respectfully submitted that around 10.45 am, The quality checker supervisor came to the complainant and informed her that she is wanted in the cabin of Mr. Chandru, Production Manager. At the cabin of Mr. Chandru, Mr. Rajasekhar, Quality Manager and Mr. Avinash were present. As soon as the complainant entered the cabin Sri.Rajshekhar started abusing the complainant, as to why she did attest her signature to the letter of the Union even after she and other workers were warned of punitive action if anyone is found to be meeting the office bearers of the union on the previous day. She informed him that she attested to the letters and representations as she felt it necessary to bring to the knowledge of the management the difficulties, challenges and problems faced by the workers in Unit 8 of Shahi Exports Pvt Ltd. He demanded to know whether complainant was meeting the Union. The complainant informed him that she is member of the Union and that she attends the meeting of the Union regularly as and when they are held. On hearing the response of the complainant, all of them became extremely angry started abusing her in filthy language. Mr. Chandru took out the representation of workers (Annexure 'A') and pointed out the name and signature of the complainant on it. He told to Mr. Rajasekhar that this bitch is with that bitch Nagarathna. On enquiry complainant informed them that herself, Nagarathna and others were elected representatives of the Union in Unit 8 in a general body meeting of the Union. Mr. Avinash and Smt Shobha, Sample Tailor (who came to the cabin by that time) started abusing the complainant in filthy language. Mr. Rajasekhar demanded in an intimidating manner, the residential address, name of the husband of the complainant, her mobile number, details of her family members, her mother tongue,

where she hails from etc. When complainant informed him that she is a widow and lives in a temple and that she belongs to Reddy community, speaks Telugu, she has no parents or anyone to support and that her brother is living separately and not in contact. When she said that she lives in a temple they demanded the name and number of the official of the temple. When complainant refused to provide the same they all started abusing complainant.

It is respectfully submitted that Mr. Chandru took out a white paper onto the table and demanded the complainant to put her signature on the white paper. When the complainant refused to put her signature, he abused her she has to put her signature. He said that she has to admit that Union is demanding and forcing workers to attest the representations and that Union was forcibly taking from each worker Rs. 300/-, Rs. 500/-, Rs. 700/- promising them that they will get workers more wages. The complainant told them that it is not true, that the Union membership is only Rs. 75/- per annum. Mr. Rajasekhar started abusing her for her audacity in answering in the manner without any fear of management and demanded her to sign the white paper. On her refusal Sri.Rajashekhar shouted at her telling her to write as told to her. The complainant refused saying that she will not write anything false even if they kill her. The complainant refused and said her swamiji had told never to sign on blank papers. He demanded to know as to why then she had put her signature on the representation of the Union. The complainant said it was not blank and that she was in agreement with the representation of the Union.

It is respectfully submitted that Mr.Rajashekhar ordered her to go to his cabin. In his cabin Smt. Mahima, Sri. Avinash were present. Sri.Rajashekhar complained to Smt. Mahima that this Thayamma is refusing to sign on blank paper as demanded and that she is a very adamant dangerous worker who would harm the factory. They all abused her stating that she is a criminal, third rate bitch and a dirty woman. The kind of abuses that are hurled at the complainant are so filthy they are unprintable for the sake of decency. Sri. Rajashekhar, threatened her that she will

not allow her to work in his batch until she puts her signature on blank paper as demanded. Mr. Avinash told her that Union has chosen her as she is dumb. Ms. Mahima told her that she is a fool who is not listening to the directions of the management and she would suffer and face dire consequences if she did not tow the line of the management. After abusing her for more than an hour all of them sent her back to her work. On enquiry by co workers who wanted to know why she was detained by officers, she narrated the incident to Smt. Radha and Smt. Manjula (Tailors - Waist Band finishers). After completing work for the day, she left for the day at 6.30 pm.

It is respectfully submitted that on 4th April the complainant alighted the bus at 8.20 am at Tavarekere and reached the factory by 8.30am. she was sitting with co-workers for about 10 minutes near the petrol bunk as usual. The complainant punched in at about 8.45am started work. She participated in the usual floor meeting around 10. 15 am, where they were told about quality and production. After the floor meeting as she returned to her batch, Sri. Rajashekhar came to her batch and ordered her to go with him to his cabin. In the cabin he started to abuse her. He asked her to write a letter as told. As the complainant refused he shouted that she is criminal started abusing her in filthy language. He said God has given her this miserable life and suffering, and that it won't be a sin even if anyone kills her and get rid of her. He said that no one will miss her. At this time, he received a telephone call and the complainant heard him say "I am bringing her down". He shouted at complainant, and ordered her to come down with him. She refused. Then he caught her hand, dragged her down the stair case abusing her and saying that he will teach you a lesson. When he dragged her down complainant pleaded with Smt. Mahima saying she had not done anything wrong. Ms. Mahima said to her to go and suffer the consequences of not abiding the dictat of the management. Sri. Rajashekhar dragged her to the ground floor and pushed her into a crowd. There was one Police man standing there. Sri. Vivek, H R Manager, Sri. Avinash, Sri. Narayan, GM, Sri. Rajashekhar, Sri. Umesh, Smt. Shobha, sample tailor, Sri. Manjunath, floor incharge of 13.

batch were there. Sri.Rajashekhar told them to kill the bitch referring to complainant, as she has no one is an orphan and no one will miss her. Smt. Shobha, was the first one to hit her with an iron ring held in her hand. Someone twisted and tried to break her hand. Sri. Rajashekhar kicked the complainant on her back, screaming at her bitch, homeless widow, abused her calling her bloody fucking bitch. Someone stamped on her. Smt. Bhagya of 14th Batch held the complainant by her hair and smashed her head against the wall and others such as Smt. Yashoda, Tailor (13th batch), Smt. Geetha, Tailor (17th batch), Smt. Asha, helper (10th batch), Rathnamma, Tailor (9th batch) all hit the complainant and smashed her on her face and body and said die. She pushed her to the floor. All this happened in the presence of the Policeman who was present. The complainant pleaded, she had not done any wrong. The Police man was a mute spectator as though he had nothing to do with it. He did not stop anyone. Smt. Shobha, sample tailor started to strangulate the complainant who was pushed to the floor, she was sitting on her body and strangulating her with both hands, The complainant could not breathe. At this point, the security personnel were called and she heard some one saying to them that she will die, therefore throw her out of gate. Then she was dragged and thrown out of the factory gate.

It is respectfully submitted that the complainant could not even walk. she could not hear or see properly. She heard Mr. Sebastian Devaraj, Hon. President, Koogu calling the Assistant Labour Commissioner over the phone and informing him of the assaults happening in the factory. The complainant was taken to the Government Hospital by the Union office bearers. Thereafter she was taken to Shiva Ganga Hospital. The complainant was admitted for treatment. A copy of the treatment given at Government Hospital and at Shivaganga hospital are herewith produced as Annexure 'B' and 'C'.

It is respectfully submitted that though serious offences were committed by the accused persons on her and though the complainant had narrated to the police details of the incident , police stated that they are unable to register the complaint on the

ground that they were busy in election duty and providing protection to political leaders who were visiting including visitation of Mr. Rahul Gandhi. Advising the complainant to come other day or they would inform her of the registration of complaint later.

It is respectfully submitted that throughout the incident, the police officers of Madanayakanahalli police station have acted as though they were paid employees of the Shahi Exports Unit 8 Division. It is pertinent to state here that while the complainant herein and others who were badly beaten by the accused herein and were in the police station seeking registration of their complaints, the police officers on the contrary were hobnobbing with some of the accused who visited the police station.

It is respectfully submitted that though the accused have committed serious offences, the police have neither enquired nor taken any action against the accused persons. The complainant was expecting that the police would register her complaint and take appropriate action against the accused persons on the information supplied by the complainant. On the contrary even as on this day there is absolutely no action initiated against the accused on the information supplied by the complainant, having no other alternative the complainant is left with no option other than approaching this Hon'ble Court to lodge this complaint. There is some delay in presenting this complaint as the complainant fondly hoped that the police of Madanayakanahalli police station would take appropriate action. He is presenting this complaint as no action is initiated against the accused by the police of Madanayakanahalli. It is submitted that the accused persons are officials of Shahi Exports Pvt. Ltd. Unit 8 and are in supervisory capacity as against the complainant herein and are successful in stalling any action to be taken by the Madanayakanahalli police station. Hence this complaint.

WHEREFORE, it is most respectfully prayed that this Hon'ble Court be pleased to take cognizance of the offence committed by the accused persons punishable under section 341, 323, 354A, 504, 506(2), read with 149 of the Indian Penal Code and to try

them for the said offences and to do justice to the complainant in the interest of justice.

PROJECT TITLE

Empowering Unorganised Women Workers and Adolescent Girls as Potential Income Generators.

BACKGROUND INFORMATION

The Rural Awareness Society (RAS) had been working among the less fortunate brotheren, especially the rural poor since 1991. Through various development programmes for the small and marginal farmers and landless labourers, rural artisans, school Children and the Scheduled Castes are helped from time to time depending on the need to help themselves and lead a decent life. The present project is an outcome of the intervention of RAS among the different sections of communities.

THE TARGET GROUP

The Rural Women belonging to the below poverty line who hail from the ten selected backward villages form the main target group of this project. The spin-off benefits of the project will certainly reach not only for the development of t'heir children but also the entire village.

SOCIO-ECONOMIC CONDITIONS

The ten selected villages are remote villages lacking from basic facilities such as inadequate potable drinking water, transaport and standard education. The principle occupation of the people in these villages is agriculture. Since the l'and is owned by the landlords and high caste people, the rural poor, the untouchables who have no land are compelled to undertake labour works in the land ofthe high caste people and the land lords. They are not well paid for their labour. Usually the men are paid Rs. 30-50 and the women are paid Rs. 15-25 as coolies for one day labour. Since agriculture is considered to be a gambling with monsoon, regular income or labour is not guarantted for the labourers especially, for the women who are comparatively paid very low, though they are demanded 3-10 hours of work.

The Right to Strike and Collective Bargaining: In addition to the restrictions imposed by the law on the right to strike, which renders it un-practicable, The mechanisms of strike and collective bargaining cannot gain sufficient space without lifting all the restrictions on the right of association and the right to form trade unions not only to keep in harmony with the international conventions and instruments ratified by the Government of Egypt, but also because it is not feasible to withdraw all the direct legal protection of the workers and do without many of the conditions of labour, collective negotiation and collective agreements whereas the restrictions forced on trade union rights continue to weaken the workers' negotiating power to the maximum possible level.

The participants, Chair and the speakers exchanged their experience on these issues. Some of the comments were:

- Despite the concerns made by some based on previous experience that unions plurality may lead to the fragmentation of the labor movement, the general attitude of participants was that what the Egyptian labor movement is calling for is the right to organize union organizations more than the plurality. Egyptian workers are denied the right to organize unions outside the formal Federations.
- Unity should not be forced. It should be the prerogative of those who have the right to separate or unite.
- On the issue of plurality unions should be enriched with it, even within the same federation, in an attempt to deepen democracy and in response to specific needs and interests. This could be done through not putting restrictions on development specialized women or youth unions for example (the experience of Argentina).
- Participants reiterated the importance of creating connection, networks or alliances between union organizations and other civil organizations. In other words, the creation of a wide social alliance between unions, farmers organizations and other social movements.
- Participants emphasized the importance of studying the various experiments and attempts that have been made to organize workers in the informal and marginal sectors, either through the formation of associations, other organizations, or unions with different natures or structures. They called for the encouragement of creativity in this field.

Day Three

Was dedicated to the study of the movement strategies. Participants discussed what has been revealed during the previous two days. Mr. Ghassan Slaiby facilitated the discussions, which resulted in selecting the right to organize as the most important and crucial of the labor standards. Making progress in relation to this rights would serve as an important key to the advancement of the labor movement and the achieve of other successes. Then, participants moved on to discuss the measure necessary to implement this right in Egypt, and establish appropriate relevant strategies.

Participants were divided into four Egyptian groups, one for Arabs and one for English-speaking participants. Each group set the necessary actions from its point of view, then groups came together to review final outcomes.

Though the groups are still predominantly tribal groups, they have started with informal wage negotiations and are also looking and exploring possibility on becoming a wider group that has non-tribals but with similar issues. They have initiated discussions on unionisation of agricultural workers with 30 groups whose members are all agricultural workers. 15 of them have come forward. 8 of them have started subscribing. They intend to register the union once they have 30 subscribing groups. In KGF they are discussing with construction workers to strengthen the union. Sl. No.	Organisation	Unionisation	Right to Work.
12	Jeevika HD Koté & Anekal Karnataka	<p>Unionisation of Bonded Agricultural Workers, HDKote and Anekal. The union's key demand in the past 3 months was for minimum and equal wages. The union succeeded in this demand in five villages. In these villages men now get minimum wages. Women's wages have increased but not equal to men. A request letter was sent from the Union to the District Collectorate demanding implementation of the NREGA programme as per the Act i.e. minimum wages, equal wages, participative planning, transparency etc. In the same regard a demonstration was organised in front of the department.</p> <p>The union also participated in the survey for BPL card along with government officials. The card is yet to be distributed.</p> <p>Since corruption in the Fair Price Shop was reported, the union demanded the formation of a Vigilance Committee in line with the rules. This is now being implemented. The union has also worked towards getting bus facility, cleaning of drainage and sanctioning of one fair price shop. Earlier Jeevika was in 16 districts now it is extended to all the districts except three.</p>	<p>Inspite of all this effort, they have not been able to achieve 100 days of work and have therefore decided to focus on development works on Dalit lands. The union intends to conduct a social audit in the month of March and April.</p> <p>Have demanded that the road works taken up by the Public Works Dept. (PWD) be taken up through employment of labour rather than machinery. The demand for the implementation of NREGA for the District has been raised. Already started to enrol people asking for work/wages. Umesh informed that the Abdul Nazir Sab Institute had brought out a publication titled 'Employment to working-hands' which would be a useful reference.</p> <p>Membership has been increased. In HDKote there are 3000 members and in the State there are 16000 members paying one day's wage. Working at present in 140 talukas. They are now included in the Jagruti Samiti (vigilance committee). The struggle for wage was not strong enough this time as drought and flooding destroyed crops in the area.</p> <p>However, have demanded that the road works taken up by the Public Works Dept. (PWD) be taken up through employment of labour rather than machinery.</p>

Sl. No.	Organisation	Unionisation	Right to Work.
<p>9980 construction workers have been made members of the Construction Worker's Welfare Board. 48 Hamali workers have obtained insurance cover from the owners and 20 of them have also availed housing. In organising domestic workers they have seen more challenge as the workers are from varied residential areas and also work with many employers. There is a need to study the sector better. They have now 130 interested workers but the union is yet to be formed.</p> <p>Members of the union from 6 villages joined and went to the DC office and demanded BPL cards are issued. The union also identified those who did not fit the criteria for BPL card but still possessed BPL cards and had those cards cancelled.</p> <p>Agricultural Produce Marketing Committee workers have been organised and a demand for insurance, pension and Identity cards has been made. 182 workers were given insurance by the APMC. A warehouse was occupied and a board of APMC workers union has been put up. The union uses this space for its activities. An occupational health hazard for these workers identified is Tuberculosis.</p> <p>The union has also discussed the bill for Social Security for Unorganised and decided to support the campaign for the enactment of the bill. A memorandum was given to the DC demanding office space for the union. Concentration is more on hours of work and health aspects to the contractors. Not taken up the question of wages. Demand for labour office.</p> <p>Gram Sabhas were conducted and action plan was laid down. Applications were filled and given to the DC. A fact-finding committee was formed to look into the work that is required for that particular village. The committee found lots of discrepancies such as difference in attendance and payment made to the workers, refusal of work to women workers, refusal if work to fact-finding committee was submitted and a press meet was held. On February 26th, DLU organized a rally for right to work. They have also studied the assets created, employment provided and increase in wages of agricultural workers in the areas where they have monitored.</p> <p>Out of 15 Gram Panchayat covering 42 villages, the total number of job applications submitted by the DLU are 7851 of which 217 are men workers and 626 are women workers. The DLU demanded a meeting between the union activists an implementing officers in the Zilla Panchayat. The decisions taken at this meeting have given a boost to the unionising activities.</p>

		Cases demanding minimum wage have also been filed in court. Though 15,000 demand minimum wage is only from 200 members. Workers are still reticent to demand. After all these years of struggle, the union has only now been registered. After a 2-month long struggle in the power loom sector bonus was increased from Rs.300 to Rs.500. In the non-struggle (peace) period the Union wanted to take up issues relating to ration cards, health etc. Two office bearers who also belong to the KVR opposed this on the grounds that it was more an NGO approach to take up such non-union issues. However the Union went ahead but these office bearers sabotaged the activities. 3 active union leaders, who received compensation and back wages following the struggle, retired which was a setback. There were 600 paying members and now it has come down to 150 members.	Gramma Panchayat since this year. They have struggled for job cards & have been successful. Women have been in the lead. Govt is not implementing properly. Gradually we are moving towards unionisation. They have locked up govt offices, agitated. Now men don't want to go in for Rs.74 per day so the wage demanded is also higher.
II	SMESRD Bidar Karnataka	The district Labour Union formed by the SMESRD has a current membership of 6020 workers who are agricultural workers, APMC yard workers and construction workers. The union is affiliated to a national trade union, the New Trade Union Initiatives. Though the union has a membership of more than 6,000 people and has been active in collective bargain, it is not a registered union. They have just initiated the registration process.	There is a provision in the NREGA Act that funds can be spent on works of developing private lands of Dalits and tribals also. When this was proposed, the men originally opposed it. However the women who are higher in strength were more sensitive and strongly supported this move subsequently the men also accepted. Dilip informed the group that the booklet on Right to food has a chapter on NREGA Rights which would be useful for us.

		<p>target oriented and has a first come first serve basis. The reason cited is lack of funds. Therefore the union also demands legislation for social security for informal sector workers. Since members of the union are landless agricultural workers instead of land for cultivation.</p> <p>Regular meetings have been organised for the agricultural workers on the importance of unionisation, difference between organised and unorganised sector, increased health hazards, loss of employment and the need for social security etc. Seminars have also been conducted for workers and leaders. Currently there is an active membership of 1285 workers. The union is not yet registered. The members are hesitant to take up leadership. A seminar was conducted for the staff to understand process of registering and formalising the union. Nava Jyothi decided to form an independent union as the left unions did not take up issues of agricultural workers and only looked at including them to the welfare board without any follow up either.</p>	<p>Right to land campaign was organised through the union demanding 2 acres of land as promised in the manifesto of the ruling party. Though people did not get 2 acres of land, as a result of this campaign people got titles for their houses in 3 villages.</p>
10	Parivarthan Belgaum Karnataka	<p>Unionisation of Power loom workers – After the revival of the union, the practice of decrease in wage during off-season has been stopped. The wages also have increase by Rs. 5 per saree.</p> <p>Membership drive to the Power loom Workers' Union is being continued. As otherwise the wages were not decreased. Many cases have been filed in the labour court by the union. One factory settlement was done out of court. Rs. 1,40,000 was given as compensation to 20 workers. Out of which Rs. 15,000 was contributed to the union. In another silk factory minimum wages was not being respected. A case was filed. Except three workers all the others were unmarried women. The management contacted the family of all the workers and they all withdrew the case except for three.</p>	<p>Like in Bidar, in Belgaum also there is difference in wages, timings. Planning to take up at State level. If FIAN an international organization takes up the struggles of EGA then will not look for another forum. So far FIAN has supported 3 trainings. They plan to take up two aspects in the struggle: EGA and Public Distribution System.</p> <p>NREGA: Has been introduced in §</p>

Designation : Tailor

DOJ: July 2015

Position in the Union: Member

Date of joining the union: 09.01.2018

On 27th March 2018, around 3 pm Sri. Manju (IED) came and told me that Sri. Chandru (PM) is calling me. I went to Sri. Chandru (PMs) cabin, where Sri. Vivek (HRM) was also present. Sri. Chandru questioned me "why I was getting everybody's signature". I said "nothing sir, I signed because I also want increase in wages". I also said "I asked others also in the bus to sign". He scolded me saying "you are a boy, you do whatever you want, don't get signatures from others" and sent me back to the batch to work. After about 5 minutes Sri. Suresh (Floor In-charge) came and told me that Sri. Chandru (PM) wants to see me again. When I went there Sri Chandru (PM) said "don't join the union, they will destroy you, don't go with them, I will make you Quality Checker, Supervisor". I did not agree. Then Sri. Chandru said "from tomorrow post this fellow in batch 24 which is near Sri Vivek's cabin, let's see how he freely moves around". At this point Sri Suresh abused me in foul language. After making me to stand there for a long time, they sent me away. Later Sri Suresh came to me and said "don't get upset, I spoke like that because all of them were there. Just fall at Sri Chandru's feet, everything will be alright" he advised me. By then the bell went off and I left for home.

On 28th March I started work as usual. Sri Suresh came to me and said "you are not supposed to work here, did we not tell you yesterday itself, go and stand in Sri Chandru's (PM) cabin.(check with Sowmya if he called her) I went to the cabin and sat down. They told me not to sit but to stand. Then they sent me to Sri Vivek's cabin. Sri Ajith was also present there. Then they asked me to give them the papers I had got signature from. I gave half of it. Then they abused me saying I am play acting and demanded for the rest of the papers and then marched me off to Sri Chandru's (PM) cabin. Sri Suresh who was with Sri Chandru (PM) frisked my body completely and took out the

remaining papers. They said "this is what we have been searching for". They made me stand there for a long time. Then they warned me and said "if you repeat this once again, you will face dire consequences" and sent me back. Then I went back to my batch and continued my work as usual, finished and went home.

On 2nd April I started work as usual. Around 10.30 am Sri Umesh came and said "Chandru is calling everyone for a meeting at the canteen". I also went. There Sri Chandru (PM), Sri Ajith, Sri Rajashekhar, Sri Avinash, Sri Umesh, Sri Vivek and others were present. Sri Chandru said "company needs tailors, bring tailors. Outside the union people are getting signatures, those who have signed put up your hands, they will close your factory down. They are not giving you wages, it is we who are giving you wages, if you all want increased wages, you have to ask us, don't betray the factory" then we were sent back to work. As usual I continued my work and returned home.

On April 3rd around 5.40 pm, I punched out and came outside and at around 5.50 pm got into the bus. Mrs. Rathna (co-worker and union member) was sitting next to me. Around 7 pm got down from the bus at Doddamaskanahalli and headed towards home.

On April 4th, around 7.45 am got into the bus at Doddamaskanahalli. Mrs. Rathna was sitting next to me. The bus arrived near the factory at about 8.50 am. Got down from the bus. Near the gate the security and Mr. Chandru (PM), Mr. Umesh (Production Manager), Mr. Suresh (Floor Incharge), Mr. Manjunath (Assistant Production Manager) were standing. Since I had some more time, was going to the temple. At that time, Mr. Chandru started to abuse me, saying "the factory is this side, how much ever we scold you, you do the same thing, you have no shame whatsoever". On hearing this, I went straight inside the factory. Around 8.55 am I punched in at the 2nd floor and picked up my bobbin case bag and started my work. At around 10 am there was an announcement saying people who travel in Andrahalli bus must come down. In my batch who ever travelled in that bus, all of them went down. After sometime Mr. Suresh (Floor In-charge) and Mr. Somanna came and convened the meeting in the batch itself. Mr. Suresh then started saying that the people in the Union have gotten the Bombay Rayon factory shutdown already and are waiting to shut down this factory too. They will close down the factory and deprive you of your bread and butter". He said that he had gone down and learnt that Mrs. Sudha (Co-Worker and Union member) your batch mate along with other Union

members has already destroyed the respect of the batch. He further added, that "because of such people all these things are happening, we do not need such persons in our batch, if she returns to this batch beat her up severely, don't be afraid of anything, I will protect you all". Then he also said "there are policemen also downstairs, don't worry, beat them up in front of the police. They have spoilt our batch name". Soon after that my batch mates and I went downstairs. There I saw that everyone were scolding Mrs. Nagarathna (Co-worker and Joint Secretary of the union). Everyone was abusing her and were chasing after her. I could see some of the union members, namely Mrs. Sudha, Mrs. Latha and Mr. Ameen (co-workers and union members) getting badly beaten up and being thrown outside. I got very scared due to which I went and hid myself in the 2nd floor toilet. Mr. Suresh and Mr. Manju (L.E.D) came there held by my collar and forcefully dragged me downstairs. Mr. Manju and Mr. Suresh said "he is also in the union, beat him up" and Mr. Suresh said "this is too much for your worth, you scoundrel, son of a whore. It is too much that a person of your caste has been offered this job, on top of that you need clean drinking water and more salary, you are only fit to clean the toilets". He said this rudely and abused my caste. Mr. Vivek, Mr. Chandru and Mr. Umesh told all the workers to beat me up. Mr. Manju, Mr. Suresh and Mr. Madhu held me by my collar pushed my head towards the floor and attacked me brutally. Mrs. Shoba (Sample tailor), Mrs. Jyothi and Mrs. Sarita, who were present there assaulted me. Few more workers started hitting me even harder, started kicking me and after that Mr. Suresh held my neck and threw me out of the gate.

Near the Petrol Bunk the union office bearers Mr. Munivenkatappa, Mrs. Sowmya, Mrs. Bhavana, Mr. Sebastian Devraj and worker representatives who were assaulted were present. Mrs. Sowmya and Mrs. Bhavana took me to the Herohalli Government hospital for the treatment. After receiving the treatment at around 1.30 pm, we went to Madanayakanahalli police station.

On April 2nd around 2 pm my batch was called for a meeting at the canteen where the Management personnel where Vivek sir advised all of us not to sign any papers given by the union and sent us back to work.

On April 3rd around 5.40 pm , I punched out and came outside. Around 5.45 pm got into the bus. Mrs. Lakshmi (co-worker and union member) was sitting next to me. At around 6.25 pm got down at Chikkannapalya and reached home by 6.30 pm.

On April 4th, around 8.15 am I started from the house. By 8.30 am got into the bus. Mrs. Lakshmi (co-worker and union member) was sitting next to me. The bus reached near the factory at around 8.50 am. I went inside and punched in at the 3rd floor, took the bobbin case bag and started my work. After a while in the floor everyone were talking saying that there was some commotion. Everyone was talking that all the union members have been beaten up and being sent out. I started feeling scared as I am also a union member. I started thinking that will I also be beaten up. I started feeling feverish. Mrs.Bhagya who comes in the same bus came and told me that she heard that my son (Ameen) is also being beaten up by the Management. Mrs.Nalina who comes at 11 am from Magadi, said that the Management have beaten up Mr. Ameen badly and he is thrown outside. I was too scared. At about 11.25 am they took Mrs. Salma who sits next to me and beat her up thinking that it's me. She returned in a while after getting beaten up and started her work. In an hour we need to complete 80 pieces, that day due to fear I was doing more than that and quietly doing my work. At around 12.30 pm Mrs. Veda (Captain) came and called us saying batch 15 and 16 has a meeting. On the stairs of the 4th floor Mr. Chandru (Production Manager), Mr. Avinash and Mr. Manjunath were standing. They were screaming at us saying "there has been some commotion, don't sign for the

union membership, whoever has taken membership and working in this factory have got beaten up and they have thrown them outside. Now onwards if anyone asks you to sign up, then do not sign. From tomorrow, do not take any leave. Some people names have been missed out who are the members of the union, We will be removing them from work". By around 12.45 pm, went back and started work. By 1 pm, the lunch break bell rang. Since I was scared I did not speak to anyone. At 1.30 pm I finished my lunch and started working again till about 3pm. The production writer came and told me that I have been called inside a cabin. I went to the cabin and saw that Mrs. Manjula , Mrs. Roopa who give trainings were present. Mrs. Manjula said "in this pamphlet your name has appeared, they are searching for you to beat you up, you leave from here right away". I came out of the cabin and saw that Mr. Krishna (Supervisor) was there and he asked me "why were you asked to go inside the cabin". Since I thought if I tell the truth he may not allow me to go, I lied saying that "I got a phone call saying that my child is unwell so need to go". Only if the management signature is there, the security will allow us to go out hence, I took the out pass saying that I am Sameena (I was scared that they may not allow if they know the real name). Took signatures from the concerned persons and punched out around 3.15 pm and came out. Took an auto from there till Tavarekere and then another auto till Chikkannapalya. It was around 4 pm when I reached home.

On 2nd April, I started work as usual in my batch 8. Around 10 am, Mr. Umesh, PM, came and called us for a meeting at the canteen. We all went down. Mr. Chandru, PM, Mr. Ajit, Mr. Avinash, Mr. Rajashekhar, Quality Manager, Mr. Umesh, PM and Mr. Vivek, HRM and others were present. Mr. Chandru, PM said "it seems the Union people are getting signatures outside the factory gate, all those who have signed put up your hands, they are trying to close the company down, they will not increase your wages, don't sign their papers, we will give you the increase you want, the Company has given you food all these years, do not cheat the Company, henceforth, don't sign" he said and sent us back to work. Then I went to the batch, continued my work and as usual punched out in the evening and went out.

April 3rd, at about 5.40 pm I punched out of work and came out of the factory. The Union office bearers Mr. Munivenkatappa and Mrs. Sowmya were near the Axis bank ATM. I went and spoke to them and at about 5.40 pm, I got into the bus going towards Tigalarapalya. The bus was driven by Mr. Thimmarayappa. The bus left at around 6 pm. The bus reached Tigalarapalya at around 6.25 pm and reached home at 6.30 pm.

On April 4th, at 8.20 a.m I left home, got into the bus at 8.25 am in Tigalarapalya, my colleague and union member Ms. Latha sat next to me. The bus reached the factory around 8.45 am. We got down, Ms. Latha and I walked towards the ATM where the union office bearers Ms. Soumya and Ms. Bhavana were standing. Mr. Suresh (floor incharge) Mr. Umesh, Mr. Chikkalingegowda, Mr. Krishna (Production Manager), Mr. Manjunath (Asst. Production Manager) Mr. Rajashekhar

(Quality Manager) and others of the Management were also near the ATM. I spoke to the Union office bearers and around 8.50 am went into the factory. I punched in on the second floor, took my bobbin case bag and started work. Around 9.30 am Ms. Latha came to me and said "they are beating Mr. Ameen, come let's go and help him". Both of us went down. On the stair case Smt. Shobha, sample Tailor snatched my colleague Smt. Latha's mobile from her hand. I saw Mrs. Dilshad, mother of Sri. Ameen, Union member being roughed up by Sri. Vivek and Smt. Shobha, sample tailor tried to stop them. There, Smt. Chaitra from IED called me and asked me "why are you all doing this? You are taking away our livelihood" and she abused me. Thereafter Ms. Shobha (sample tailor) came and abused me in filthy language saying "you are shaking hands of that bitch from the union in the morning, what kind of bitch are you". At that time the policemen who was present there said "why are you doing all this, if you had some problem you should have given a complaint". I responded "I am in the union. When I had a problem, they only came and helped me that is why once again I asked for their help". At that time Mr. Vivek and Mr. Avinash looked towards me and said "look at her, she is in the union, she also has to be beaten up and they sent word calling all the workers travelling in the Tigalarapalya bus. Mr. Vivek said, "we have to get them beaten by their own colleagues who travel in the same bus with them" and shouted to the workers "beat these bitches, kill them, useless bitches have come to close down the factory". Mr. Avinash, Mr. Chandru, Mr. Thimmarayappa, the bus driver and Mr. Vivek started to abuse and assault me. Mr. Ajith was instigating all of them to beat me. Some women workers beat me, slapped me hard on my face. Then the workers of 7th and 8th batch also came there. Mr. Avinash, Mr. Ajith, Mr. Vivek, Mr. Chandru, Mr. Narasimha, Mr. Suresh, Mr. Umesh all surrounded us and instigated them further. Ms. Lakshmi (Human Resource Department) Ms. Rohini (HRD) were also watching. At this time Ms. Shobha (sample tailor) snatched the gold chain around my neck and continued to thrash me. Smt. Nagarathna, came and intervened and was pleading with them to stop behaving like this. They abused her as well. I heard Sri. Thimmarayappa saying, "kill those bitches". Then the Police intervened and pulled Ms. Latha and me away and pushed us into the security room. Later they took us from there and sent us out of the gate.

I came near the petrol bunk. The Union office bearers and those who had been assaulted were there. One by one the union members were being beaten and sent

out of the factory. When all of them came we went for treatment to the Herohalli Government Hospital. Around 1.30 p.m we went to Madanayakanahalli Police Station.

On 30th March 2018 I was working in the Sample section (5th floor). At around 3.00 pm Mr. Somu (Supervisor) came and took me saying that Mr.Chandru (Production Manager) is calling me. I went near Mr.Chandru's cabin. Mr. Vasu (Sample section in-charge) and Mr. Chandru was present there. Mr. Chandru asked me "what Nagarathna, you have been making everyone sign, see I have pictures in my mobile of the sheet in which everyone has signed" and he showed it to me. I asked him "show me the headline in the sheet" but it was not there. Then Mr. Vasu said pointing to Mr. Chandru "whatever salary you need, you tell them, they will make arrangements. Don't talk on behalf of others". I said "till now I haven't asked anyone for the salary increase, I am asking for everyone". Then Mr. Chandru (Production Manager) said "if everyone should be given an increase of Rs.5000/-, then we will have to close down the factory and go". For that I replied, "for you all if they increase only Rs.1000 or Rs.2000/- will you keep quiet. We have asked only for Rs.3000/- increase and you are all doing this. We will put forth our demand on the 2nd, and talk after that. I too have this form" I said. For that, Mr. Chandru said "go and bring that form". I went and brought the form and gave it to him. Then he said "all that has happened so far let it be, don't do this again". I said "all our people are getting it signed, we will definitely give the letter to the Management on the 2nd April, then let's talk". Then Mr. Chandru said "ok, go". I came back and restarted my work. In the evening as usual I punched out, got into the bus and came back home.

On April 2nd at about 8.50 am , I punched in and went to the 5th floor and started doing my work. At about 10.30 am, they called all the Sample section workers to the canteen and started the meeting. There Mr. Chandru (Production

Manager), Mr.Ajith (Assistant HR), Mr.Vasu (Sample section In-charge), Mr. Somu (Supervisor) were present. Mr.Chandru said "we are giving salary correctly, we are giving the bonus on time? Then what else is your problem? That's all know, you all may go and work. Till now you have signed, that's ok, don't sign any more". He sent us all back. At around 10.45 am we all went back and started our work. At about 11.30 am, Ms. Thayamma (co-worker and union member) and myself went in search of Mr.Narayan (General Manager) to give our demand letter. Mr.Narayan was in the first floor. I approached him and said "Sir", He asked me "What" and went inside his cabin. Ms. Thayamma stood at the doort. I said "sir, please take this" for which he said "don't come behind me, go and hand it over to Mr.Vivek or Mr.Chandru". I replied saying "this has to be given to you, we cannot give this to anyone else". He came outside the cabin, went to Mr.Ajith's cabin which is closeby. He called him outside and asked me to hand it over to him. I asked him "sir, if you take it what will happen"? He said "give it to Mr.Ajith and Mr.Ajith took it from me. Mr. Tulasi Babu (FM) was along with him. I said "we need a date (appointment) to talk about this". For which Mr.Ajith said "he will say go now". Ms. Thayamma and myself went back to our floor and started our respective work. In the evening as usual I punched out, got into the bus and went back home.

On April 3rd, around 10.15 am Ms. Sowmya (Union office bearers) called up and told "Ms. Latha and Ms. Deepa (co-worker and union member) have been taken to the cabin, go and see what is the matter". Immediately I went near the cabin and saw about 20 people standing there. There Mr.Chandru (Production Manager), Mr.Avinash, Ms.Mahima & Ms.Rohini (Human Resource Department), Mr. Suresh (floor In-charge) and a few more people were present. Ms. Latha and Ms. Deepa were also standing. As soon as I went there I asked "Deepa what is happening". She replied saying, "since I have an headache, I came to take some medicine". For that Mr.Chandru said "have we not announced that you should not go from one floor to the other. If you have headache you should go to the dispensary, why did she come here?" Ms. Mahima asked me "did we call you, why did you come here". I said "you should not make anyone stand here, till the talks happen you should not call anyone individually and talk to them" and I went to the place where Ms. Thayamma works. I asked to Ms. Thayamma "who called you, why did they call you, you have not done anything wrong, we are doing this for everyone's good, it will be good for the entire factory, don't sign on anything, don't go if anyone calls you" I said and went from there to my floor and started my work. In the afternoon around 3 pm, I

came out as I wanted to go to the toilet. In the canteen Mr. Narayan (General Manager) was standing. He called me "come here Nagarathna, did you feel bad? I was angry and in some tension, sorry Nagarathna. Twice I had been to the meeting for the Increase in salaries. If at all the salaries are increased, I will also be very happy" he said. I said "please help us too, we can speak on the 5th". He said "ok, I have sent it to the head office, after they agree we can speak". I went from there. Later finished my work, punched out and came outside. Near the Axis bank ATM Mr.Avinash (Asst. Human Resource Manager) and Union office bearers,Mrs.Soumya and Mrs.Bhavana were there.I went and spoke to the Union office bearers and then got into the bus driven by Mr. Topegowdar which was going towards Ramohalli .The bus started around 5.55PM. Mrs. Asha, Mrs.Susheela. Mrs. Bhagya, Mrs.Munirathna, Mrs. Lakshmi and Mrs.Divya were sitting in the bus around me.The bus reached Malegondanahalli around 6.45 PM. I got down and went home.

On the 4tharound 8.15AM, i got into the bus from Malegondanahalli. Mrs. Divya, Mrs.Bhagya, Mrs.Susheela, Mrs.Munirathna were sitting beside me. Around 8.50AM the bus reached near the factory. Near the bus stop Mr.Chandru(Production Manager) and the Security were present. Near the gate Mr.Avinash (Asst. human Resourcemanager) , Mr.Krishna (Production Manager), and a few others were present. I went inside. Around 8.55AM punched in at the cutting section, climbed the stairs and went to the sample section which is near the canteen. I wiped the over lock machine and sat down to mark the elastic.Mr. Krishna (Co-worker and union member)called me up to inform that Ameen was being beaten up. I came to the cabin of Mr.Narayan(General Manager) at around 9.20AM ,he was talking on the phone.I told him that they were beatingMrs. Ameen at the gate, immediately he shouted saying "Who isbeating him, go from here". I kept repeating myself, he did not pay attention and got up and walked away.I was standing there and Mr. Chandru (P.M) camethere. I said " why are you all doing this "Then he took me to the conference room.Mr.Nanjundappa(maintenance)came right behind. I asked "what an injustice Sir, why are they beating up that boy".We have our demands put forth for clean water, transportation facility and salary hike. I said "since we have asked all these facilities you all are doing this Sir".For that,Mr.Nanundappascolded me saying , " What Nagarathna, if the owner gets to know all these he will close the factory, where will so many workers go".He pays us salary at the correct time, the drinking water is good, We have an aqua guard, then what is the problem. Can't you all keep quiet?For that I replied, if

the drinking water is good, then why do all bring drinking water from home? In other places the salary for the tailor is Rs.12,000/- to Rs. 13,000/-, for the new comers its Rs.7200/- to Rs.7300/- ,If you want to give ,say that we will give. If not, say no.For that Mr.Chandru replied" I too bring water from home". Nanjundappa (maintenance) added if someone does not like the water here, they can bring from home, why are you bothered. After that ,15-20 people came near the cabin door for which Mr.Chandru told them to go, he will come soon after.After that Iscreamed that what an injustice you all are doing.I pleaded to them saying "please stop all these". They all did not bother and went away.I came down and requested them not to beat the union member. I saw a few instigated workers and asked "we have put forward our demands n behalf of all of you, why are you beating up the union workers, for which Mrs.Shoba (sample tailor), Mrs. Cauvery (supervisor) got a few people and came towards me.I told them "for the workers we have demanded clean drinking water, salary and better transportation facility, we do not want all this internal confusion" ask this people from Management.Mr.Vivek, Mr.Avinash and Mr.Chandru said "you are a person from lower caste, how dare you question us . You should be kept near the place where the Slippers are kept" .This is the mistake we did. You should be kept for transporting dead bodies of human beings and dogs.In this way abused my caste disparagingly. I then asked the police "you are supposed to safeguard us and you are keeping quiet and letting all this happen". The police man said shut up and keep quiet, look here ,they have beaten me up as well. I said "They have done this to the person who is supposed to safe guard women, you are keeping quiet when they are beating up women, please help!The policemen shouted at me saying" keep quiet and go out of the gate".Then I told to Mr. Vivek that Sir you have done a mistake, stop all this right now. Pointing to the instigated and enraged workers, he said , don't talk to me, answer them and he further instigated them to beat me.All of them were saying " You have come here to stop our bread and butter, go out of the factory you whore and held my hair, beat me up and pushed me outside the security gate".From there i came near the petrol bunk. I saw Mrs. Dilshad ,Mr.Ameen, Mrs.Latha and Mrs.Sudha and others who had all been attacked were there along with the other Union office bearers. The other workers who were part of the union and inside the factory were also beaten up and sent out of the factory.The Union office bearersMrs.Sowmya and Mrs.Bhavanatook those who were severely injured in the attack to the Herohalligovt hospital .Myself, Mr.Sebastian Devraj, Mr. Muni Venkatappa, Mrs.Dilshaad, Mrs.Lakshmi,

Mrs.Rudra went to the Gollurahatti Union office.The members who went to the hospital took treatment and all of us went to Madanayakanahalli Police station at around 1.30 PM.

On the 2nd April at around 10.15 am, Mr. Umesh (Production Manager) came and called 6th, 7th & 8th batches for a meeting in the canteen. We all went. There Mr. Chandru (Production Manager), Mr. Ajith (Assistant H.R), Mr. Avinash (HR), Mr. Rajashekhar (Quality Manager), Mr. Umesh (PM) and Mr. Vivek (HRM) were present along with a few others. Mr. Chandru said "our company needs tailors, so bring some tailors, outside the union people are getting the signatures, have you all signed? Who all have signed from here, raise your hands, they are doing all this to close down the factory, they will not increase your salary, hence don't sign on anything, we will be the one increasing your salaries, whatever salary you need, we will give, don't cheat the company as it's giving you livelihood, if someone is standing outside and asking you to sign, how can you sign, don't sign hereafter" and sent us all back to work. Later as usual I finished work, punched out and came outside.

On the 3rd April as usual went to work in the morning. Around 10.00 am, Mr. Umesh came and asked Mr. Mallikarjun (Supervisor) "who is Deepa here". He pointed out at me, I said "I am Deepa what do you want". He nodded his head and went away. After 10 minutes, I went to the toilet, called up Mr. Swamy (Union Office bearer) and told him. He asked me to Inform Ms. Latha & Ms. Sudha (co-worker and union member). I came out and went to Ms. Latha but she was not there. I was returning when Mr. Chandru came and took me to a cabin. Mr. Avinash was there. Later they called up the others and asked them to come. Ms. Mahima, Mr.Umesh, Mr.Suresh, Mr.Narasimha , Mr.Mallikarjuna, Mr. Ajith, Mr.Narayana all of them came. Then Mr. Ajith asked me "why did you come to the other floor". I said "I came to take medicine from Ms. Latha". Mr.Avinash went out and got Ms. Latha there. They asked Ms. Latha if I am her

friend, Ms. Latha said "Yes, since she was unwell she had asked me to get medicine but I did not bring it". Then Mr. Chandru said "she did not come for the medicine, they are all union leaders, all of them need an increase of Rs.5000/- in their salary, they all are doing this to shut down the company". Then Mr. Narayan (General Manager) said "don't send them to work, make them stand here, only then will they will learn some lesson. I have been working since the last 30 years, no where they will be able to increase Rs.5000/-". Then Ms. Nagarathna (co-worker, union joint secretary) came and asked me "what happened Deepa". I said "I had come to take medicine". She asked the Management people "why are you calling our people one after the other and talking to them and doing all these. Once you speak to them you should not make them stand here. Till we have the discussion with the Management you should not call them individually and to speak to them" and went away. Then Mr. Chandru scolded us and asked us not to repeat this again and sent us back. I continued my work. At around 5.55 pm, I punched out and came outside. Union office bearers, Mrs. Sowmya was standing near the Axis bank ATM which is near Shahi 8. Around 5.58 pm, I went and spoke to her and then got into the bus and sat inside around 6.10 pm. Since the schools were closed, I had left my daughter at my colleague Ms. Riyaz's house hence, I boarded the Ramohalli bus. At about 6.50 pm got down at Ganapathihalli colony.

On the 4th morning, I got into the bus from Ganapathyhalli at around 8.25 am. I was sitting at the seats at the back. Ms. Riyaz was sitting next to me and in front Mrs. Radha and Mrs. Shruthi were sitting. We reached the factory by around 8.50 am. As soon as I got out of the bus Mr. Chandru (Production Manager) stared at me. I went inside the factory and punched in at the second floor, took my bobbin case bag and started my work. Around 9.45 am there was an announcement saying the workers who travel in the bus from Tigalarapalya were asked to come to the back gate. At that time Mr. Vivek (HR Manager) stopped me and did not allow me to go and scolded me and ordered me to go back to the batch. I pointed to Ms. Latha and Ms. Sudha (co-workers and union members) on the other side and said "Sir, our people are all that side. They had announced for assembling there" for which he shouted saying "you don't go now, I will call you later". I did not go back, I asked him "why are you only

stopping me, he called one woman by name Smt. Gangamma and asked her to drag me away. She held me by my hand and my waist and took me to my floor. I re-started my work. After about 20 minutes, Mr. Suresh (Floor In-charge) came and asked Batch 7 & 8 to come down. He asked us to hurry up. I was thinking while getting down that the fight would have become more and hence they would ask us to leave. At that time Mr. Suresh started yelling at me saying "these whores are trying to close down the company". When I turned back and looked at him he said "keep walking, you will get to know what they will do now" and humiliated me. When I went down, Mr. Vivek (H.R Manager), said in singular language, "come now, I had told you not to come then, come now, this is Deepa, hit her, kill her". Mr. Ajit and Mr. Avinash nodded in support. At that time, Mr. Chandru (PM) commanded "Hit Her". Then, Mrs. Shobha (Sample Tailor), held me by hair and started hitting me left and right. Mrs. Jyothi (co-worker), Mrs. Shoba, Mr. Manjunath (3rd Floor In-Charge), Mrs. Lakshmi, Mrs. Rajini, H.R. Department, Mr. Vivek (HR Manager), Mr. Ajith, Mr. Avinash, Mrs. Mahima (Asst. H R Manager), Mrs. Gangamma, 7th batch, G.M. Narayanan, Mr. Rajashekhar, Mr. Chikkalinge Gowda, Ms. Shashikala, 5th batch, Ms. Sudha, 7th batch supervisor, Ms. Mallika, QC, Mr. Nagesh, QC incharge Mr. Lohith, IED, Mr. Raju, QC, Mr. Abhishek, APM, Mr. Narasimha Murthy – 2nd floor APM tore off my clothes. Further Mr. Manjunath (3rd Floor In-Charge) hit me more again and pulled away my Thali and chain from my neck, snatched my LENOVA mobile phone. I heard Mr. Suresh (Quality Incharge) saying "you lower caste women". Mr. Rajashekhar (Quality In-charge) said "your caste people should not have been given jobs like this" and Mr. Manjunath (Floor In-charge) said "you whore, your caste people should be kept where the slippers are kept". While beating me up, the outsider Mr. Panchakshari and a few more local rowdies abused me using foul language saying "you whore, fuck your mother's caste". As I was scared I was just standing and watching all these and hid behind the Policeman. There was no reaction from the Policeman. Then my

friend Ms. Riyaz pulled me from that place where I was surrounded and she took me outside. When we came out it was around 10.30 am. I was not allowed to take my bag from the factory which contained one Samsung mobile phone and Rs. 3000/- in cash.

That time Union office bearers Mr. Munivenkatappa, Mrs. Soumya, Mrs. Bhavana and Mr. Sebastian Devraj were there. They calmed me down and took me to the Herohalli Government Hospital for medical treatment. At around 1.45 pm we went to the Madanayakanahalli Police station. With the help of union members, I changed my torn clothes to new clothes.

On 2nd April around 10.30 am Ms. Shobha, sample tailor came and said the HR wants batch 9 and batch 10 to assemble for a meeting in canteen on the 6th floor. Ms. Rathnamma, Tailor 9th batch when she was returning after attending the meeting, I asked her what the meeting was about. She told me they warned us that the union has come to close down the factory, "bayige mannakakke bandiddare" and instructed the workers not to sign in any union letters in the future.

Around 11.30 am, my colleague Ms. Nagarathna, Joint Secretary of the Union and I went to the General Manager, Mr. Narayan, who was standing outside Chandru PMs cabin on the 3rd floor and Ms. Nagarathna gave the letter from Union to him. He became very agitated and shouted at Nagarathna. He said you have no other work to do early in the morning. When Nagarathna insisted, he asked her to give the letter to the Assistant H R Manager. Ms. Nagarathna gave the letter to the Assistant H R Manager. I went to my batch again and started to work.

The 15th batch and my batch, 16th was called at about 2pm to the canteen where Mr. Vivek, Ms. Mahima, Mr. Chandru, Mr. Ajit, Ms. Shobha, Sample Tailor, Mr. Rajashekhar, Quality Manager were present. The General Manager, Mr. Narayan was standing nearby, at the sample section. Mr. Vivek told the gathering that you all have signed the Union letter without knowing. In future nobody should sign any letter of the union or anything else he said. When Union persons ask you, do not talk to them. Do not receive any letter or pamphlet given by them. Do not join the Union. They will only close down the factory. After about 15 to 20 minutes, the meeting concluded and I returned to my work station. I worked till the evening and punched out by about 6 pm and exited the factory. I got into the Tavarekere Bus driven and sat next to Smt. Rajamma. I reached my village by 6.30 pm.

On 3rd April I came to the factory by bus at about 8.30 am. When I got down Sri. Vivek, Sri. Avinash, Smt. Mahima, Sri. Rajashekhar, Sri. Chandru, PM were present outside. I was approached by Smt. Sowmya from the Union to get my

signature on a letter. I affixed my signature and went into the factory. By about 9 am I commenced my work as checker.

Around 10.45 am, Sri. Avinash, Sri. Rajashekhar, Quality Manager, Sri. Chandru, PM came to the cabin of Sri.Chandru from down stairs. The Quality checker supervisor came to me and said Sri. Rajashekhar, Quality Manager and Sri.Chandru, PM wants to see me in Chandru, PMs chamber. I went to the chamber. As soon as I went Sri.Rajashekhar shouted at me “ఎన్న ఏన్న కాలే” “were you not told not to sign anything”“then why did you sign?” I responded saying that all have signed because we want good clean water and transport and also some increase in wages. He asked “have you been going to the Union regularly.” I said yes, I go for a meeting once a month. Then they shouted “why did you sign even after being told not to.” I once again told them that we need an increase in wages and we want good quality water and safe transport. So I did not find anything wrong in signing I said. Then they became more angry and shouted showing me the letter dated 2nd April 2018 of the Union. Chandru, pointed out my name on the letter and said to Sri. Rajashekhar, “see she is with that bitch Nagarathna.”Then Sri.Rajashekhar said “stop all this drama with us.” So I said that we were all elected by the workers of the factory to represent them openly in a general body meeting. At this point of time Ms. Shobha, sample tailor and Sri. Avinash came there. Ms. Shobha abused me saying “why are you going to the Union. If you do this the factory will close down and we will lose our jobs.”Sri.Rajashekhar demanded for my husbands name and mobile number. I said I have no husband. Then they wanted to know where and with whom I stay. I said in a temple. They demanded a contact at the temple. I refused to divulge the swamiji’s contact. Then they demanded my parents contact. I said I have no parents. Then they wanted to know who was with me. I said I have a brother, but I have no contact with him. They wanted to know my caste, my language and where I stay. I said I belong to the Reddy community, that I speak telugu and currently living in Tavarekere.

Sri.Chandru, PM put a white paper on the table and asked me to write that the Union is forcing us to sign on papers and that they were taking money from each workers Rs. 300/-, Rs. 500/-, Rs. 700/- and getting their signatures saying that they will get them more wages. I told them that it is not true, that the Union membership is only Rs. 75/- per year and that is all they have taken from me. Sri.Rajashekhar shouted at me telling me to write as told to do. I refused saying that I will not write anything false even if they kill me. He told me to just sign on the blank paper. I refused and said my swamiji had told never to sign on blank papers. He demanded to know why then I had signed on the Union letter. I said it was not blank and that I agreed with what they were doing.

Then Sri.Rajashekhar ordered me to come to his cabin. In his cabin Smt. Mahima, Sri. Avinash were present. Sri.Rajashekhar complained to Smt. Mahima that this Thayamma is refusing to write or sign inspite of all of our pleading. At this point Sri.Avinash said I have always heard that "you are a decent and quiet person,that you don't indulge in such behavior". Now we realize "you are a criminal." "You are a trouble maker". "You have joined the Union like a fool." Sri.Avinash further added, "do you know why the Union has selected you, because you are an orphan. The Union is trying to exploit such village fools like you." Sri.Rajashekhar, threatened saying that he will not permit me into the batch until I write a letter as told.Sri.Avinash said we are advising you for your own good and said do as we say.

I refused to write a letter as dictated by them. I said even if they kill me I will not change my mind as the truth is that the Union has not cheated me in any way. Smt. Mahima said "you are a fool, do what you want and go and die." Sri.Rajashekhar said I will not admit her in the batch unless she writes a letter. To which Smt. Mahima said let her do what she wants, it is her fate, you allow her to work. They let me go after about one hour. When I returned,co-worker Smt. Radha, Smt. Manjula, Tailors (waist band finishers) asked me why I was called for so long. I narrated what happened to them and completed my duty at about 5.45pm and left for home by the Tavarekere bus and went home by 6.30 pm.

4th April: I alighted the bus at 8.20 am at Tavarekere and reached the factory by 8.30am. I was sitting with co-workers for about 10 minutes near the petrol bunk as usual. I punched in at about 8.45am started work. I participated in the usual floor meeting around 10. 15 am, where we were told about quality and production. Just after I returned to my batch, Sri.Rajashekhar came to my batch and ordered me to come to his cabin. Once in the cabin he started to abuse me. He asked me to write a letter as told. As I refused he shouted "you are a criminal", "you are drama master" "you are an orphan and trying to gain sympathy of others" "that is why God has given you this suffering" "it won't be a sin if we kill you and get rid of you" "you should be shot and disposed off" "no one will miss you". At this time, he received a telephone call and I heard him say "I am bringing her down". He shouted at me, and ordered me to come down with him. I refused. Then he caught my hand, dragged me down the stair case abusing me and saying "I will teach you a lesson". When he dragged me down I pleaded with Smt. Mahima saying I had not done anything wrong. She only said go and suffer the consequences. Sri.Rajashekhar dragged me to the ground floor and pushed me into a crowd. There was one Police man standing there. Sri.Vivek, H R Manager, Sri. Avinash, Sri. Narayan, GM, Sri. Rajashekhar, Sri. Umesh, Smt. Shobha, sample tailor, Sri. Manjunath, floor incharge of 13th batch were there. Sri.Rajashekhar told them to kill me, "she has no one, she

is an orphan" "no one will miss her". Smt. Shobha, was the first one to hit me with an iron ring held in her hand. Someone twisted and tried to break my hand. Sri.Rajashekhar kicked me on my back, screaming "you bitch, homeless widow, will you eat shit if they ask you to, you bloody fucking bitch". Someone stamped on me. Smt. Bhagya of 14th Batch held me by my hair and smashed my head against the wall and others such as Smt. Yashoda, Tailor (13th batch), Smt. Geetha, Tailor (17th batch), Smt. Asha, helper (10th batch), Rathnamma, Tailor (9th batch) all hit me and smashed me on my face and body and said die. All this happened in the presence of the Police. I pleaded, I said I had not done any wrong. The Police man was a mute spectator during this criminal assault. Smt. Shobha, sample tailor started to strangulate me. She was sitting on me and strangulating me with both hands, I could not breathe. At this point, the security personnel intervened and I heard him saying she will die, let her go. Then they thrashed me from the building to the gate and threw me out of the gate.

I could not even walk. I could not hear or see properly. I was taken to the Government Hospital by the Union office bearers. Then we went to the Police Station and at the Police Station they advised me to take treatment at the nearby Shiva Ganga Hospital, 123/2, Tumkur Road, Madanayakanahalli, Bengaluru - 562162. I was admitted for treatment.

On 2nd April, around 10 am, Mr. Umesh, PM, came and called us for a meeting at the canteen. We all went down. Mr. Chandru, PM, Mr. Ajit, Mr. Avinash, Mr. Rajashekhar, Quality Manager, Mr. Umesh, PM and Mr. Vivek, HRM were present. Mr. Chandru, PM said "our company requires tailors, bring tailors for work. it seems the Union people are getting signatures outside, all those who have signed put up your hands, they are trying to close the company down, they will not increase your wages, you all don't sign, we are the people who increase wages and not them. we will give you the increase you want, the Company has given you food all these years, do not betray the Company, if some strangers ask you for signatures do you sign, henceforth, don't sign" he said and sent us back to work. I worked as usual, thereafter and punched out and went out as usual.

On 3rd April, as usual, I took my bobbin case and started my work. Around 10.30 am, I had gone to use the toilet. As I came out, Mr. Avinash, came and told me to come to Mr. Chandru, PM's cabin. In the cabin, Mr. Chandru, Ms. Mahima, Mr. Umesh, Mr. Suresh, Mr. Narasimha, Mr. Mallikarjuna, Mr. Ajit, Mr. Narayana, GM were present. They were talking to Ms. Deepashree, (colleague & Union member). Mr. Chandru, PM asked me "is she your friend?" I said "yes, she wanted some medicine, but I did not bring it". Then Mr. Chandru said, "it is not medicine, these are all Union leaders and they want a wage increase of Rs.5000/-, they want to close down the factory". At this time Mr. Narayanan, GM said "don't send them back to work, make them stand here only, then they will learn a lesson. I have been working since 30 years and have never heard of an increase of Rs. 5000/-" He scolded us. At this time, Mrs. Nagarathna (colleague & Joint Secretary of the Union) came there and asked Ms. Deepashree "what happened". Ms. Deepashree explained that she had come for some medicines. Then Mrs. Nagarathna told Mr. Chandru, "why are you

calling our people individually like this? You should not make our people stand here like this anymore, let the talks take place" she said and left. At around 5.40 pm punched out and directly got into the regular bus of Mr. Timmarayappa which goes to Tigalarapalya. Next to me, Mrs. Sudha (Co-worker, union member) and Mrs. Savitha came and sat. The bus started around 6.00 pm and at about 6.25 pm I got down and reached home.

On the 4th morning, around 8.25 am, I started from home and got into the bus from Tigalarapalya by 8.35 am. Mrs. Sudha and Mrs. Savitha were sitting beside me. Got down from the bus at about 8.45 am. Mr. Chandru (Production Manager) and Mr. Ajith (Production Manager) were there. Mrs. Sudha and I, went to the Axis Bank ATM which is nearby. Mrs. Sowmya and Mrs. Bhavana, the Union office bearers were present there. I spoke to them. At around 8.50 am, I went inside and punched in at the third floor, took the bobbin case bag and started the work. Half an hour after I started the work, Mrs. Shantakumari (co-worker) came and told me that "they are beating up a Muslim boy". I went to the toilet and called up Mrs. Sowmya (8861447575 – Union office bearer). She told me to go along with, Mrs. Sudha and Mrs. Deepashree and help Mr. Ameen. I went to the second floor and informed Mrs. Sudha and called her to come to help Mr. Ameen. While we both were walking downstairs, one co-worker Mrs. Shobha (sample tailor) snatched my mobile phone. I went down. There Smt. Dilshad (co-worker) was being roughed up. We intervened. Sri. Ameen (co-worker and union member) was also beaten and pulled to another place. I questioned the policemen who were present there "How can they beat up a worker so brutally in their presence, we have given a letter on the 2nd of April, 2018 and we will be holding a discussion on the 5th April with the Management, so why are you hitting like this" I asked. Meanwhile, Mr. Vivek, Mr. Chandru and Mr. Avinash came there and said "these are the whore's who are out to destroy the factory, throw them out first" shouted Mr. Vivek. I heard Mr. Avinash phoning Mr. Thimmarayappa, the bus contractor and telling him "we have caught the person who fought with you, come with 10-15 of your people and take the opportunity to beat her". Then he went and got some women workers of Batch 7 & 8, all of them started shouting whatever they felt like, they said "you all have come here to shut the factory, you whores". That time Batch -7 Mrs. Gangamma, held me by my neck and hit me hard. My friend Mrs. Sudha also was getting beaten up next to me. By then Mrs. Nagarathna (Co-worker and Joint Secretary of the Union) came there and started asking "why you are all making them beat them up and you policemen are here to

protect us. Instead of doing that you are doing all these". They started beating her up as well. Mr. Avinash looked at me and instigated the women saying "she is the one who has done all these, beat her up and kill her" and made them come to me. I was surrounded by Mr. Avinash, Mr. Chandru and Mr. Vivek. Mr. Vivek abused me saying "if you need more salary go and sleep with someone and earn more". He provoked everybody saying beat these whores up". Mr. Panchakshari, the outsider and a few small time rowdies also used foul languages and scolded me. Later, the policemen put Mrs. Sudha and myself inside the security room and was standing there. Later he got us out of the gate and said go away from here or else they will kill you. At that time, the bus driver Mr. Thimmarayappa was abusing us in foul language saying that "kill these whores or beat them up severely". At around 10.30 am they pushed us out of the gate by holding our neck.

From there we came near the petrol bunk. There we saw Union Office bearers Mrs. Sowmya, Mrs. Bhavana and Mr. Munivenkatappa. All the union members were getting beaten up one by one and being thrown out. After they all came, we went to Herohalli Government hospital for treatment. Afternoon around 1.30 pm we took an auto to the Madanayakanahalli Police station.

On 3rd April 2018 at 5.32 pm – I punched out of the factory and at 5.35 pm – I met the union office bearers as I had to sign on a letter. At this time 3rd floor Assistant Production Manager and 4th floor Production Manager, Mr. Krishna were there. Within three minutes I got on to my friend's (Hanumanthappa – Production Writer) motorbike and left and went to Kadabagere (about 3 to 4 kms from the factory). I purchased clothes at Navarathna garments as it was my birthday the next day 4th April 2018. I reached home thereafter by about 7.15pm in Chikkannanapalya near Tavarekere, Magadi Road.

On 4th April 2018 at 9.10am I arrived at the factory back gate with my friend Mr. Hanumanthappa. The security asked me to wear the ID card and hurry. Mr. Ajith, Mr. Chandru and Mr. Vivek were near the boiler. Mr. Chandru ordered me to stop and come to them. When we went there they told Hanumanthappa to carry on to work. Asked me why I was late. I said as it was my birthday and so I went for prayers. Then they questioned me why I had signed the letter yesterday. I told him it was just to ask for discussion with the Management. I did not find anything wrong in doing so. They said that they had told all of us at the meetings not to sign – why then did you sign so boldly in front of us. Then Mr. Vivek said to the others to call the entire Industrial Engineering Department staff and said let us humiliate him in front of them. They all came and all of them started to abuse me for having signed the letter. Mr. Ajit telephoned the Police. They asked me for my mother's name and I told them. Then my mother was brought there and Mr. Vivek asked my mother who I was to her. When she said I was her son, he abused my mother saying that she has given birth to a bastard who is trying to close down the factory by joining the union and then one Mr. Panchakshari slapped me on my face and demanded to know who else is with me. At this point Mr. Vivek threateningly said he has a lot of power and he can send people to my house and beat me up. Then

Mr. Raghavendra, 4th floor IE, and Channaiah House Keeping Supervisor dragged me to the reception counter where police man was there. He asked me what the problem was, I told them I had signed on the Union letter asking the Management for improving quality of water, transportation and increase in wages. They forced me to sit at the reception and Mr. Raghavendra remained and tried to convince me to accept that it was my mistake. He said if I accept I have a bright future, if not the Management will take action against me.

Mr. Raghavendra gave me water to drink. After 15 minutes, 4th floor Production Manager, Mr. Krishna and another 10 or 15 of them came and held me by my collar and dragged me and then they pushed me down against a steel rack. At this point my mother also came there and tried to prevent them from beating me. But they started to beat both of us and dragged me outside the building but inside the exit gate and Mr. Vivek, Ms. Shobha, Mr. Ajit, Mr. Nagaraj and others started to beat me and my mother and then pushed us out of the gate at about 10.30am.

The Union Office bearers who were outside the factory gate took me for medical treatment. There after I went along with other victims of the assault to the police station to file a complaint.

On April 3rd at around 5.55 pm finished my work punched out and came outside. There, Mr. Krishna, Mr. Umesha, HR and Mr. Chandru (Production Manager), Mr. Suresh (Floor In-charge), Mr. Venkatesh, Mr. Manjunath were standing. They were scaring the workers not to go that side as the Union office bearers were there, hence were telling to use the other way. I asked my friend what was the matter. He said it seems the Union workers are there, so it seems it's a loss for the factory that's why they are doing all this. After that I went through another route. When I reached home, it was around 6.45 pm.

On April 4th morning at about 8.45 am as usual I went to work from the gate near the Petrol Bunk. The same management people were standing who were outside the previous evening were standing and sending the workers inside by scolding and intimidating. At about 8.55 am, I punched in at the first floor and started doing my work. I could see from the window that many people were going and coming. I could hear many announcements being made, loud shouting. I overheard people talking that the workers were hitting the Union member Mr. Ameen. I telephoned the Union representative Mrs.Nagarathna, sample tailor over the phone 7259435054 and informed her.

Mrs.Mahima (HR Department) came and clicked a photo of my picture which was put outside the cabin. Then she came back and was talking on the mobile in front of me to someone saying "he is Krishna, the Union leader". We had given the letter on the 2nd April, 2018 and had fixed 5th April 2018 for the talks. So I was confused and thinking, right now why are they doing this. Later, Mr. Nagaraj, who works in our floor came and told me "Mr.Ajith (HR Assistant Manager) is calling you, hurry up and meet him". I thought that he may beat me up and came near the boiler." I went to Mr.Ajith and asked "what did you call

me for, sir". Instead of speaking to me, Mr. Ajith said "he is also a Union Leader" "Beat him up". Mr. Vivek said "he is the Son of a Bitch", "bastard" "beat him up, kill him, push him out". Later, Mr. Venkatesh, (supervisor), Mr. Manjunath (Floor In-charge), Mrs. Shobha (Sample Tailor), Mr. Ajith, Mr. Krishna, Mr. Rajashekhar, Mr. Umesh, Mr. Suresh were instigating others and also indulged in beating me up badly. The policeman who was standing behind, came forward and asked them to leave me saying that "he may die" and pushed me outside the gate. All the workers who were assaulted and the Union office bearers were standing near the petrol bunk when I came outside at about 10.55 am. My colleague Mrs. Deepashree inquired about my hurts. Later on, Mr. Munivenkatappa, Mr. Sebastian Devaraj, Mrs. Nagarathna, Mrs. Lakshmi all of us went to the Gollarahatti Union office. The workers who went for the treatment came back around 1.45 pm and we all went to Madanayakanahalli Police station.

Dear sir,

Sub: Evidence being mis-represented by Madanayakanahalli Police.
Ref: Attack on workers of Shahi in Shahi Exports (P) Ltd Unit 8 on
04.04.2018.

We are constrained to present to you that there has been a serious lapse on the part of Madanayakanahalli Police. Yesterday from 9.30am to 10.30am number of workers were assaulted inside the factory premises and in the presence of Mr. Raghavendra, Police Sub Inspector. Police refused to take action and were just witnessing the assault. Thereafter workers came to Madanayakanahalli police station and the officers refused to register a complaint till late in the night. They refused to receive the complaint as it contained offences under SC/ST Prevention of Atrocities Act. It was strange that the perpetrators of the offence in the Shahi Exports (P) Ltd Unit 8 were moving freely in the Police Station and at no point of time Police evinced any interest in arresting them.

After hours of pleading and calling the second and third of you a complaint came to be registered at around 10.30 pm in the night. No action is taken against the

perpetrators, no effort made to arrest the accused who are specifically named. The lackadaisical approach of the Police is not only shocking but an insult on the workers' rights.

Today, to the shock and disdain of the workers and the informant, one officer who is not authorized to be investigating officer under SC/ST Prevention of Atrocities Act attempted to do a Mahajar of the scene of offence as though it was outside the premises of Shahi Exports (P) Ltd Unit 8 and the workers demanded that they will show the places where they were assaulted. Under law only second of you is permitted to be the investigating officer. There is no permissibility of delegation of your authority. It is abuse and violation of the provisions of the Act. This is being done only to subvert the investigation by the officials of Madanayakanahalli Police Station. This is a matter of great importance, clean and honest investigation is necessary and therefore we sincerely request you to conduct in accordance with the procedures and ensure justice to workers.

They are constrained to make this representation as there are number of efforts being made by the Police of Madanayakanahalii to subvert the entire investigation. That itself is an offence punishable under section 3 of the SC/ST prevention of atrocities Act. We sincerely request you that the second of you to take charge of the investigation and conduct the investigation in accordance of law. We sincerely request the first of you to ensure the same for which act of kindness we would be grateful to you.

Thanking you.

Sir/Madam,

Sub: protest demonstration outside the gate of Shahi Exports (P) Ltd, unit-8, #62, Gollarahatti, Dasanapura Hobli, Magadi Main Road, (Opp. Contry Club), Bengaluru-92, to condemn the criminal intimidation of workers by the management.

On 04.04.2018, the management of the above factory had assaulted workers within the factory premises, even calling outside anti social elements to threaten them. An FIR (197/18) was lodged with the Madanayakanahalli police station with regard to the criminal action and a complaint given to the Commissioner of labour against unfair labour practices of the management.

However, the management is continuing to threaten and harass workers and members of the union who are working in the factory even today.

Several organizations and unions met on 11th April 2018, to discuss this situation and decided to hold a protest demonstration to condemn this undemocratic and criminal action of the Shahi-8 management on the 13th April 2018.

We therefore, request you to permit us to hold a peaceful and silent protest outside the factory gate on the side road between 4.30pm and 6pm on Friday 13th April 2018.

Thanking you,

Yours sincerely,

Sebastian Devaraj

Sir/Madam,

Subject: Complaint regarding death threats received from Sri. Byranna and Sri. Sunil
mob. No. +91 8660614406

I, the undersigned am the Honorary President of the Karnataka Garment Workers Union [KOOGU]. On Friday 20th April 2018 I received a phone call from a phone no.+91 8660614406 from a Person who identified himself as Sunil and said he was one of the owners of the building where Shahi Exports (P)Ltd Unit 8 is located. He asked what was the problem and why I had come to the building. It was about 1.52 pm and as I was having my lunch in the office at Domlur, I told him I will call back. I called him back at 2.11 pm. I explained to him that I was the president of a registered trade union, and the members of the Union had brought some water problem and some transport problem in the factory to our notice and so we wanted to discuss with the Management and had given a letter to that effect. He told me we had no business to interfere in the building matters and that he as the owner of the building will take care of everything. I tried to explain to him that it was not a matter of the building but a labour matter between the Management and the workers. He said only a few workers are upset and the rest of the workers are ok. He said the employers are doing such a great job of providing employment

to more than 3000 workers. He said again that the employers are threatening to close down the factory because of our interference and that will affect the rentals he is getting and at the same time many workers will lose their employment. He told me I dare not come anywhere near the factory in the future. He said he is a local from Gollarahatti and they don't tolerate outsiders coming there. To which I responded saying we are all local as we are from Bengaluru. I further told him that as a Union we organise Garment workers all over Karnataka and we will continue to do so. I told him we will even continue to interact with the Shahi & workers. He challenged me to come near the factory and asked me when I will come. I politely told him that we will come when there is a need, wished him and ended the call. This conversation lasted about 6+ minutes.

Within a minute or two later at 2.19 pm I got a call from the same number and Mr.sunil at the other end asked aggressively, at what time tomorrow I am coming near the factory. I told him I did not say I was coming tomorrow. He became very aggressive and abusive and said he wanted me to come there and he will show me what he will do. He started to threaten me with dire consequences if I come there. Then he said wait my brother wants to speak to you. Another person came on the line and upon asking him who he was, identified himself as Byranna from Gollarahatti, Magadi Road and owner of The building in which Shahi Exports (P)Ltd is functioning.

He straight away started to say he will kill me, he will organise people to eliminate me. He said in Kannada "ನೀನು ಇಲ್ಲಿಗೆ ಬಂದೇ ಕೊಬ್ಬಕಿ ಬಿಡುತ್ತೇನೆ, ತುಂಡು ತುಂಡಾಗಿ ಶತ್ರುಗಳಿಬಂದುತ್ತೇನೆ" He abused me with very filthy and foul language in Kannada - "ಸೂರ್ಯಾ ಮಾರ್ಪಿ; ನಿನ್ನ ಅವಕಾಶ ದೋಷ, ನಿನ್ನ ಕಾಮಕಾಂತಿ, ನಿನ್ನ ಪ್ರಾಚ್ಯನಾ ಪ್ರಾಚ್ಯ" He repeatedly threatened to murder me or get me murdered. I tried my best to tell him i had no dispute, no quarrel of any sort with him whatsoever. I told him Ours was a registered trade Union and we were organising workers to improve their conditions at work within the frame of law. He said we will take care of the law and everything. He abused me and challenged me to show myself to him. He said he will kill me the first opportunity he gets. This call was for a duration of 7 minutes and 22 seconds. (2.19 to 2.26.22)

I request you to take action against Mr.Byranna and Mr.Sunil for threatening to kill me,

Yours sincerely,
Sebastian Devaraj.

Tales of the world's history have told us that the English were
once very numerous indeed, and that their numbers have,
now-a-days, diminished very much, while those of the
French have increased very much, and that the French
are now the most numerous people in Europe, and that
they are increasing still more rapidly than the English.
The English are now only about one-half as numerous as

Dear Madam/Sir,

Sumitra
Treasurer

Greetings from Karnataka Garment Workers Union (KOOGU)! Karnataka Garments Workers Union is a registered trade union registered in 2009. It is striving to improve the lives, living standards and working conditions of the garment workers. Maintaining a harmonious industrial relationship in an industry which is providing employment to lakhs of workers especially women workers is an important objective of our union. A harmonious industrial relationship is always beneficial to the production process and we believe that the Management also has the objective of improving this relationship. The effort of the union is to bring to the notice of the management the issues, challenges and conditions of the workers and to find amicable solutions to the said issues and challenges.

In the General Body Meeting of workers employed in Magadi Road, Shahi exports (P) Ltd, Unit 8, held in Bangalore on 21st January, 2018, workers have discussed in depth the issues and challenges faced by them at the workplace. There was a felt need for addressing the issues immediately as it was affecting not only their health and well being but also would enhance their productivity if addressed. Later in this meeting the following resolutions were passed unanimously and it was decided to find solutions to these challenges through collective bargaining process with the Management:

Transportation

Shahi Exports (P) Ltd, unit 8, is providing facilities of transportation to workers from their residences to factory so that the workers arrive in time for work and also return home safely. However the challenge is that there is no fixed route and timing followed by the drivers. That is causing serious difficulty for workers and affecting their daily chores. Further this is causing unnecessary and unhealthy conflict between workers and drivers of the vehicles. These conflicts are spoiling the peace of mind of the workers and is affecting their efficiency. To address this issue effectively it was resolved to propose to the Management to include the elected worker representatives in the existing Grievance Redressal Committee and thereby strengthen the committee.

Water & Sanitation:

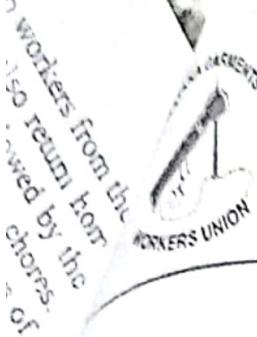

Water has been major concern for workers. Poor quality of water supplied has resulted in affecting the health of the workers. Many have developed skin allergies, nausea and stomach upsets. Some workers are bringing water for their consumption. However most of the workers are still dependent on the water supplied at the factory. Therefore it is necessary to improve the quality, and provide good quality and safe water to all the workers. There is a need for better hygiene and sanitation of workspace and bathrooms in the factory. This will help in increasing the efficiency of the workers. There is a need for workers representation in Health Committee to present their grievances and challenges faced by them. To effectively monitor the quality of water and improve the sanitation and hygiene in bath rooms and workspace it was resolved to make a representation to include the elected representatives in the Health committee and re-constitute the committee.

Wage Revision:

Rising costs of living is seriously affecting the lives of the workers. Most of the garment workers families comprises of two dependent children and atleast two dependent elders (parents/parents-inlaw). The families of this size require atleast about Rs. 23000/- per month to fullfill their basic necessities based on the current cost of living - food-rice, wheat, ragi, sugar, semolina, pulses, oil, masala powders, vegetables, milk, meat and non-food - house rent, water, electricity, gas, transportation, school fees, clothes, footwear, social functions.

In 2016-17 the Karnataka Government has fixed a minimum salary of Rs. 14800/- per month for the sanitation workers of Bengaluru is a positive step. On 05.09.2017 a popular daily Vijaya Karnataka had reported that the Government of India is also thinking of fixing Rs. 18000/- per month as minimum wage for workers in India. It is heartening to note that Shahi Exports (P) Ltd, Unit 8, Magadi Road factory in the past two-three years has been receiving steady orders from well-known international brands such as, H & M, COLUMBIA, BENETTON, COLES etc.

Workers are proud of the fact that in the past three years they have been fulfilling the high production targets and have been producing atleast 900/1000 pieces per batch per day.

(Regd. No. SaKaA.Beng-2/DRT/CR-4/2009)

Taking into consideration all the above points it was resolved to collectively bargain for an increase of Rs. 3000/- per month for all workers involved the production process w.e.f. 01.04.2018.

Following the adoption of the above resolutions, worker representatives were elected in order to facilitate discussions with the Management on behalf of all the workers in the factory.

The office bearers of Karnataka Garment Workers Union (KOOGU) and the elected representatives of Shahi Exports (P) Ltd, Unit 8 would like to collectively bargain and arrive at a mutual agreement with the representatives of the Management and through this build harmonious relationship between the workers and the Management.

We therefore request you to kindly give us time on 5th April 2018 for this collective bargaining process to take place between the representatives of the Management and the Union representatives.

Awaiting a positive response.

Yours sincerely,

మాన్యమాత్ర

I say right & without delay
the authority to be received
is to take care of the
old neighborhood & to make
an honest attorney.

The reason why it is good to do this
with the government is that (as I do)
they can't sue you because
it's impossible to prove what you did
according to both parties.

Therefore, my last statement
is that you should do the same
whether you like it or not
and never let go of it.

Yours, etc., etc., with best regards
to yourself and the others who have
been here.
