30th June, 1960.

Dear Brother Dange,

We recently sent you an advance copy of "The 116-Day Strike of the U.S. Steelworkers", the second of the pamphlets being published for the 15th Anniversary of the W.F.T.U.

We would like to know how many copies of this you would like for free selective distribution. The print is limited and we are especially aiming at steelworkers both in this country and the U.S.A. where the pamphlet has been very well received.

I have in mind about 250 copies, if you feel these can be put to good use. As soon as I hear from you I will despatch the required number of copies.

With best wishes,

yours fraternally,

Dave Goodman
